**DELEGATE ELECTION** in the Granite City High School South Auditorium Monday night during which 10 Madison County Democrats were selected to help choose two delegates and two alternates to the national Democratic Mini-Convention Dec. 8 to 10 in Memphis, Tenn. The election drew criticism from some Democrats who contended there was not enough advance publicity

and that many precinct committeemen had not been notified it was to be held. Although the election was open to all Democrats in the county, only 77 voted. At the far right is William "Bill" Harrison of Granite City, shaking hands with Dewey Van Dyke of St. Jacob, both successful candidates in the election. Between them is Associate Judge William Johnson.

## Hospital to initiate new Centrex phones

In preparation for conversion to the Centrex telephone system at St. Elizabeth Hospital, associates have been undergoing intensive training during the past week. Hospital officials and members of the Illinois Bell Telephone Co. are conducting the 90-minute sessions which detail and demonstrate operation of the system.

The Centrex system is scheduled for activation Friday night.

The public is reminded that the main hospital number, 676-2020, and the patient call-in number, 677-8780, will be taken out of service. Hospital departments and patients will be telephoned directly.

The new main number will be 798-3000 and all stations will be prefixed "798-3", followed by a three-digit department number. For example, a person wanting to reach "Information" would dial 798-3171.

To reach a patient, the caller should dial 798-31, and then the patient's room number. For example, John Doe in room 431 may be reached by dialing 798-3431; Mary Smith in room 645 may be reached by dialing 798-6445.

For placing long distance calls, the patient will no longer be required to go through a switchboard operator. The patient will dial "8", to place the long distance call.

Following is a listing of new hospital numbers:

Using the prefix 798, the following numbers are to be used in reaching hospital offices and departments:

Administration, President, S. M. Thomas, 3013.  
Executive Vice President, T. Ellerman, 3175.

## Woman, 24, raped at knifepoint

A 24-year-old Pershing Avenue woman was raped repeatedly by a man who broke into her home before she returned home from work at 2:30 a.m. Wednesday.

The victim said she had just gotten off work and entered the front door of her home when a man inside grabbed her, put a knife to her throat, forced her to remove her clothing and raped her repeatedly.

She said the man wore a ski mask and held his knife through the entire incident. When the man left, she waived down a passing police car and reported the incident.

She was taken to St. Elizabeth Hospital for treatment and was released.

## MHS students clash; police patrol campus

By "MICK" STRANGE  
Press-Record Staff Writer  
Madison High School held classes today, but school began under heavy police guard.

Madison and Venice, Madison County and Illinois State police surrounded the school, blocking all streets two blocks from the school, with a heavy concentration of Madison police directly on the street in front of the school.

All cars were stopped and the occupants questioned away from the school. Only teachers and parents taking their children to school were allowed to drive past the police road blocks.

Assignment of police to the school campus followed an outbreak of violence

between white and black groups of students at the school Tuesday and Wednesday, with most of the incidents occurring Wednesday.

Rock throwing, bottle hurling and strong language marked the incident as police attempted to break up the groups Wednesday morning.

Three arrests have been made, Madison Police Chief Don Bricker said.

An estimated 200 students were involved in the clash Wednesday. While school continued, classes were substantially

decimated, school officials said. Johnny L. Stagg, 19, of 2420 Edwards St. not a student at MHS, was arrested Wednesday and charged with reckless conduct after he allegedly struck a 13-

year-old with his van near the school. The 13-year-old, Herman Smith Jr., 112 Garesche Homes, Madison, was treated at St. Elizabeth Hospital at 8:59 a.m. Wednesday for abrasions to the back and then released.

Two 15-year-old boys, were arrested and charged with disorderly conduct.

"We have questioned over 20 students and we are not finished yet," Bricker said. "When we are finished, there will be more arrests."

"I will say I felt the students cooperated well with the police orders after we arrived on the scene Wednesday. The orders were simple, go to school or go home," Bricker said.

## 11.5% assessment hike

A multiplying factor of 11.5 percent to be applied against all Granite City Township property assessments for the 1978 year has been projected by Madison County assessing officials, it was learned by the Press-Record today.

Supervisor of Assessments James Barton said this would mean that all assessments will be multiplied by a factor of 1.115 to determine the township's full assessment.

The multiplier will be applied by the

county against all assessments certified to the supervisor of assessments by the local township assessor's office.

For the 1978 year, local assessments amounted to \$100,116,200 on real estate property, and \$62,708,384 on personal property valuations, although the personal property assessments are still subject to revision, Barton's office said.

This total of \$162,824,584 would be increased to \$181,499,410 under the projected multiplier of 1.115.

Granite City is among townships for which multipliers have been projected thus far in an effort by county officials to establish a total county assessment that would meet tax ratio requirements of the state revenue department and therefore avert the extension of a multiplying factor against the overall county assessment.

Assessment ratios are based on real estate sales which are used to determine full cash value of real property. Under state law, assessment ratios are required at 33.3 percent of the full cash value.

Application of the 11.5 percent multiplier against a house now assessed at \$10,000 would raise the valuation to \$11,150.

The projection of multiplying factors for property assessments for the county's five most populous townships resulted Tuesday night in a demand by the Wood River Town Board of Trustees for a grand jury investigation of the property assessment process in Madison County.

Town board members said the request is aimed at correcting inequities in the property tax system and eliminating multipliers on the assessments.

In a resolution adopted by the board, State's Attorney Nicholas Byron is requested to empanel a grand jury to investigate the assessment process.

Wood River Township Supervisor Roger Elbie said the system for the entire county should be investigated because inequities in assessments are countywide.

Barton's office told the Press-Record that no multiplying factors have yet been projected for Venice, Nameoki or Chouteau Townships, because final assessment figures for those townships have not yet been computed.

The real estate assessments for Venice Township total \$17,157,610, for Nameoki Township \$26,573,770 and for Chouteau Township \$13,066,610.

While higher assessments do not necessarily mean an increase in the tax bill, it does permit higher taxes in instances where tax rates have been limited by statute and the taxing agencies have not been receiving the full amount of revenue allowed by those levies.

News-makers

Frank and Helen Champlin with 41 years of business experience are continuing their chosen vocation at the Potpourri Shoppe Inc., 1820 Edison Ave., with a unique store filled with interesting and unusual items.

They started their first business at 19th and Adams streets, known as the Orchid Room, featuring a lunch business during the day and in the evening serving food to the younger set of Granite City who gathered there for dancing and fun.

Moving to E. 24th Street and Nameoki Road, they continued the restaurant business, but then due to World War II most rationing business such a problem they converted the facility to a variety gift store and later a pool hall on one side of the building.

In 1948, the husband and wife team bought a grocery and confectionary business on the corner of Pontoon Road and Franklin Avenue. As the business progressed they outgrew the building and a new one was built on the adjacent property featuring a full-scale grocery and gift shop enterprise.

As the chain stores began to move into

**CENTREX TELEPHONE SYSTEM** is checked by Larry Thomas, base and installation technician for Illinois Bell, at St. Elizabeth Hospital Wednesday afternoon in anticipation of the switching over from the old system now in use. The switch will take place Friday evening at 9:30. The

Centrex system will allow direct dialing to the offices, floors and patient rooms of the hospital without the need for a switchboard. Patients will be able to make local calls from their rooms without the aid of an operator.

# Warn of possible rail 'catastrophe'

Due to a rash of train derailments in Madison County in recent weeks, county officials have notified national and state legislators that action must be taken "to prevent a catastrophe in this county."

A letter noting the "deplorable" condition of "railroad tracks and rail beds in many parts of the county has been signed by James Greene, chairman of the County Board's Public Welfare Committee, board members of the committee, and Ted Todoroff, coordinator of the county's Emergency Services and Disaster Agency."

The letters have been sent to President James Carter, Senators Charles Percy and

Adlai Stevenson, Governor James Thompson, U.S. Secretary of Transportation Brock Adams, State Senator Sam Vadalabene, State Representatives Jack Lucero, Everett Steele, Harold Byers, James McPike and John Sharp. The letter said:

"We call your attention to a situation that exists in Madison County that if not corrected, will lead to a disaster."

"The railroad tracks in Madison County are in a deplorable and unsafe condition for the amount of hazardous materials that are being hauled over them daily."

"During the calendar year of 1977, the State of Illinois, as a whole, had the dubious honor of leading all states in the Union in the number of train derailments. Madison County added 11 to the total number; eight of which involved the hauling of hazardous materials and could have been potentially disastrous."

"During the month of August of this year, we have had three derailments. In Madison County, one of which did result in an explosion and fire that resulted in the injury of two of our citizens; one seriously."

"Two of the above three derailments occurred within 20 miles of one another on the same railroad line."

"During a visual inspection of the railroad track, within the vicinity of each of the derailments, it was noted that they were rotated to the extent that they would not hold the spikes."

"Other spikes were missing from ties which outwardly appeared to be in slightly better condition."

"If this condition is allowed to continue and immediate action is not taken to remedy same, it is anticipated that Madison County will have extensive property damage and loss of lives in the very near future."

"We feel that this disaster can be prevented and solicit your aid in remedying this situation as quickly as possible."

## 2 face charges in car theft

James Henry Daniels, 20, of 2913 Morgan Ave., and a 16-year-old Granite City boy face charges after they allegedly were arrested in a stolen car in Berkeley, Mo., early this week.

An informational document from the Madison County State's attorney's office was issued this week charging Daniels with a felony count of theft. The younger boy faces possible juvenile court action.

It is alleged they stole the auto of Sharon Mayhew, 2938 Morgan Ave., after taking a party out of town while visiting overnight in the Mayhew home Sunday.

Berkeley police were requested to check the home of a relative of one of the boys and alleged finding the car at that address. The two boys were returned to Granite City at 12:45 p.m. Monday and a felony warrant was sought and approved against Daniels. Bond is set at \$25,000.

Attendance was near normal today, according to school authorities, as classes started at 8:30 a.m.

Students no longer will be allowed to congregate outside the school building, a board spokesman said, but will have to go immediately to their classrooms upon entering the school grounds.

One school official commented that parents must share in the responsibility of the child's behavior as attitudes about life and other people are learned in the home.

Police will be on hand at the close of school today and will have a heavy guard around the school on Friday.

Authorities said the four were among prisoners who had been taken bowling in Dickson, Tenn., and they went together to the restroom where a gun apparently had been hidden.

They allegedly emerged from the restroom with the gun exchanged fire with guards, wounding one guard and another prisoner. They are recuperating in good condition.

Then they allegedly gathered the guards' guns, took a woman worker from

## Driver injured

Kevin Myers, 20, of 541 Margaret Ave., Mitchell, was injured when his auto struck a pile of dirt where sanitary sewers are being constructed in the 200 block of Tennessee Avenue in Mitchell at 12:10 a.m. Wednesday.

Myers contended there were no barricades or warnings of the dirt bank in the roadway. Authorities said there had been warning devices there earlier and are investigating if they were stolen.

Myers suffered a broken nose, two cuts to the nose and abrasions across his abdomen. He was taken to St. Elizabeth Hospital where he was X-rayed and admitted.

**Three injured in crash**

Three men were injured when the small foreign car of Bruce Klobnak, 19, of Edwardsville, and the Cadillac of Joseph Svoda, 46, of 2912 Grand Ave., collided in the 3400 block of Madison Avenue at 8:05 p.m. Wednesday.

One car then struck the steps at the home of A. D. Phillips, 2421 Madison Ave., damaging a concrete step and bending a railing. Granite City Fire Department rescue workers were summoned to the scene, but officers were able to remove the injured from their cars before rescue workers arrived.

Svoda was ticketed for improper lane usage after a witness contended his northbound auto crossed the center line and collided with the southbound sports car, forcing it to the curb.

Both drivers also received tickets for illegal transportation of liquor after beer allegedly was found in both cars. The drivers and one passenger from the sports car were taken by ambulance and police to St. Elizabeth Hospital where two were admitted and one was transferred to another hospital.

**GC man charged**

Dan E. Timco, 28, of 3025 Willow Ave., was arrested at 9:30 a.m. Wednesday on a warrant alleging contributing to the sexual delinquency of a minor following an investigation into an Aug. 22 incident in his home.

A 14-year-old neighborhood girl alleged she was babysitting for Timco when he returned home and acted in an improper manner.

## Worker saved by hard hat given Spot award

Ronald L. Smith, a member of Ironworkers Local 392, East St. Louis, was a recent recipient of the Southern Illinois Builders Association "Spot Club" award, presented in recognition to those who were spared serious injury because they were wearing a hard hat.

Smith was employed by District 8, Illinois Department of Transportation, to work on a bridge repair project at Illinois Route 13 and Route 15, Belleville. A 150-ton-capacity jack, weighing 50 lbs., while raising a bridge beam, slipped and struck Smith on the head. Smith sustained head cuts which required 16 stitches.

The Safety Committee of the Southern Illinois Builders Association is the sole judge of who becomes a member of the Spot Club.

Each member admitted to the club receives a certificate setting forth the history of the accident, a hard hat bearing the Spot Club logo and a wallet identification card.

Smith, a resident of Alton, is the 14th recipient of the award.

## Army ROTC enrollment up

College students are enrolling in Army Reserve Officers Training Corps programs in substantially greater numbers, according to Major General Charles C. Rogers, deputy chief of staff for ROTC at the Army's Training and Doctrine Command at Fort Monner, Va.

About 60,000 cadets, including 14,000 women, are now enrolled in Army ROTC. Enrollment has shown substantial gains for four consecutive years. Over 60,000 ROTC candidates are expected to receive commissions as Army officers this year.

"Whatever the motive — to receive a commission as lieutenant in the U.S. Army, to be awarded a merit scholarship, or to develop leadership and management skills — students are enrolling in Army ROTC, which is making a strong comeback," General Rogers said.

## Tri-City remodels stores

S. E. Pershall Jr., president of the Tri-City Grocery Co., has announced the remodeling of two of the Tri-City Supermarkets. The remodels are scheduled at 3839 Mississippi, Cahokia, and 1502 Troy Road, Edwardsville.

Pershall said that an extra large sale will be held for all of the Tri-City Grocery Company stores to help celebrate the remodeling of these two stores.

Pershall also announced some of the new features of the new stores. Each has 30,000 lineal feet of new four tier meat cases, 40 lineal feet of new dairy cases, 40 lineal feet of new frozen food cases and 40 lineal feet of new produce cases.

New shopping carts and checkouts have been installed for faster and more convenient checking out of customers' groceries, he said.

The grocery managers are Ed Nelson in Edwardsville and Bob Schmitt in Cahokia. The meat managers are Wayne Metzger in Edwardsville and Roland Davis in Cahokia. They are looking forward to greeting all new and old customers during the remodeling celebration and for years to come, Pershall added.

Pershall also said that other Tri-City Grocery supermarkets are slated for remodeling in the near future.

## Stakeout ends with arrest

Ralph E. Kleinschmidt, 47, Pacific, Mo., appeared before Associate Judge William E. Johnson in Granite City at 3:30 p.m. Monday, who set his bond at \$471 cash after Kleinschmidt pleaded innocent to two charges of the state.

Kleinschmidt was arrested early Monday driving from the new Peraley Steel Co. plant at 25th Street and the railroad tracks near Nameoki Drive, and officers alleged finding a large assortment of hand tools as well as books, oil, anti-freeze and other items in his car.

Pershall officials alleged the items had been taken from the new plant. Kleinschmidt, maintenance foreman for the company, did not have permission to remove the items, they alleged.

Granite City detectives organized a surveillance team which watched the plant from 3 a.m. Monday until 6:30 a.m. Monday, when the arrest occurred as Kleinschmidt drove from the plant. He also was charged with using a revoked driver's license.

Once alerted by the bank that counterfeit bills are being circulated, trained Treasury agents have been amazingly successful tracking down counterfeiters. As a result, the country's currency has never been placed in serious jeopardy by bogus bills.

The U.S. has never taken kindly to those who would counterfeit its money. At one time, counterfeiting, or passing counterfeit bills, was declared "a felony punishable without benefit of clergy" . . . a legal malice reserved for only the more heinous crimes.

## you can BANK on it!

### GRANITE CITY TRUST AND SAVINGS BANK

Protecting the currency of the United States from counterfeiting is the responsibility of the U.S. Treasury Department. Its agents must be constantly vigilant, because any successful counterfeiting operation could seriously hinder commerce of the country.

**FORCED FROM STREET**  
Mrs. Candace Rorie, 25, of 4902 Kirkpatrick Homes, was injured when her auto was forced off the pavement by an oncoming car going the wrong way without headlights on 24th Street west of State Street at 9:30 p.m. Monday. Her car went off the roadway and a tire blew out. The other car left the scene. Mrs. Rorie went to St. Elizabeth Hospital with pain to her stomach and was released after treatment.

# GC police take 7 trophies in shoot

Granite City policemen won seven trophies during the first annual National Rifle Association Regional Police Combat Revolver Championships at the new police pistol range at the Granite City Army Installation during the weekend.

A total of 92 shooters from through the Midwest competed in the event. Men and women competitors came from Illinois, Missouri, Wisconsin, Michigan, Indiana, Ohio and Tennessee. Detective Kip Pomeroy served in command positions, calling instructions to the participants and timing the various shooting events.

The winner of the match was Luther Dunfee who shot 1464 points with 98's (bulls-eyes) of a possible 1500 points. He is a retired Ohio State highway patrolman, and lives in Troy, Ohio.

The women's champion was Shirley Hill who shot 1321 with 88's. She is employed as a security officer at McDonnell Douglas Corporation in St. Louis.

The winners of the two-man team competition were Roy Bergman and Gary Dunlap representing the Missouri Highway Patrol. The two men combined to shoot 1,184 with 62's out of a possible 1,200. The

four-man team competition was won by the Detroit, Mich., Police Department. The seven men totaled 2,355 with 122's out of a possible 2,400 points.

On Saturday morning Lt. Col. George Teller welcomed the participants and Jan Langenstein opened the competition by singing the National Anthem. Immediately thereafter, Don Hammond from Battle Creek, Mich., tied a national record. Shooting 12 rounds in 25 seconds from the seven yard line and 12 rounds in 25 seconds from the 15 yard line, he scored a maximum 240 with 24's. This accomplishment tied the national record for match one of the police combat course.

The most heavily contested part of the match was that for overall winner. Dunfee won with 1464 with 98's while the second and third place shooters also shot 1,464. Norman Robinson of the Nashville, Tenn., Police Department shot 1,484 with 87's and Dennis Sundermeyer of the Detroit Police Department shot 1,484 with 77's.

Shooters representing the Granite City Police Department were Sgt. Jim Lengyel in the master class, 1,457-73x; Det. Sgt. Don Knight, 1,414-43x; Det. Roy Koberna, 1,388-57x; in the sharpshooter class; Sgt. Dennis Joyce, 1,367-25x; Patrolmen

Dave Polivick, 1,370-30x; Fred Hoffman, 1,254-19x, and Tim Lyrila, 1,023-14x, in the marksman class. Those shooting on the four-man team were Knight, Koberna, Joyce and Hoffman, who combined for a score of 2,196-51x.

Knight won fourth place trophies in match two and match five in the sharpshooter class. Joyce won second place trophies in match three and four and a fourth place trophy in match five.

Polivick won third place trophies in matches one and five. Both Joyce and Polivick participated in the marksman class.

Assisting with the operation of the shooting range were members of the Granite City Auxiliary Police and members of Granite City Police-sponsored Explorer Post 10-33.

**BREAK INTO BASEMENT**  
A door to the basement was pulled from the wall to gain entry at the home of Carol Atwood, 2510 W. 23rd St., and a door from the basement to the living area was tampered with, but it is not believed it was opened. "Nothing is known missing. The break-in occurred between 6:30 p.m. Monday and 6:30 p.m. Tuesday.

## Seek Junior Miss

Scholarships, adventure, travel and new friends are among the opportunities offered to high school senior girls who participate in the Junior Miss program, according to Pamela Tester, Granite City's reigning Junior Miss and chairman of the committee making this year's pageant plans.

Now in its 22nd year, the Junior Miss program offers more than \$5 million in scholarships and awards at the local, state and national levels, Miss Tester stated.

Girls from more than 1,300 communities in all 50 states will participate in contests to determine the national finalists for the Junior Miss Pageant, scheduled in May 1979 at Mobile, Ala.

The local Junior Miss competition is tentatively set for Nov. 5, Miss Tester said.

Prospective candidates may obtain an application by contacting any committee member, including Carolyn Yates, 931-0849, Cheryl Crawford, 451-4606, Gary Embick, 451-7612, Judi Sparks, 931-5202, or Miss Tester at 787-0673.

Junior Miss seeks to encourage excellence in young people by focusing attention on the positive achievements of participants. It is a non-profit corporation supported by concerned parents, educators, civic groups, business and government. Local and state competitions are organized and conducted by some 30,000 volunteers in all 50 states, Miss Tester explained.

Judging standards are high. Scholastic achievement,

physical well-being, poise, grooming, appearance, creativity, perception and ability in human relations are among the areas considered by the judges, she said.

To the girls who take part, Junior Miss means a chance at a college education and the challenge of competition, warm friendships with fellow contestants, excitement and wholesome, constructive fun, the current Granite City Junior Miss said.

National sponsors of the Junior Miss program are Breck, Kodak, Kraft, Simplicity Patterns, the Diamond Information Center and Coca-Cola.

## KC members to participate at benefit game

Members of the Knights of Columbus, Tri-Cities Council Number 1066, will participate in Sept. 22 activities at Busch Stadium in St. Louis honoring Bishop McNicholas.

In addition to selling tickets to the Cub-Cardinal baseball game and participating in various activities planned for the evening, fourth degree Sir Knights will be in the honor guard for the bishop at the pre-game ceremonies.

The third and fourth degree Knights also have donated \$100 to the bishop's vocation fund, which is used to help train youth for the priesthood.

Profits from the baseball game also will go to the vocation fund and supporters hope as many as 10,000 tickets can be sold.

## Charge filed after accident

Bobby Martin, 19, of 2730 Harding Blvd., was charged with reckless driving after his auto allegedly struck a parked truck and knocked a girl from the truck's hood in the 2700 block of Roosevelt Avenue at 3:50 p.m.

Police said they were told Martin swerved his car across the street to frighten some friends standing in the street and lost control, striking the parked truck of Larry Blackwell, 2715 Roosevelt Ave.

Trudy Terry, 14, of 2838 Harding Blvd., who jumped on the truck's hood when she saw Martin's car approaching, was knocked off the hood and suffered a puncture wound to her left side, an abrasion to her lower back and a cut to her mid-back.

She was taken to St. Elizabeth Hospital where she was treated, X-rayed and released. Martin was released after posting \$35 cash bond.

## Thompson ok's bill to fight Medicaid fraud

Governor James R. Thompson signed legislation Monday giving the Department of Registration and Education the power to take disciplinary action against health care providers who defraud the state's Medicaid system.

Thompson signed House Bill 3157 which allows the Department to suspend, revoke or refuse to renew the license of a health care provider who overcharges or files false records.

The bill, sponsored by House Speaker William A. Redmond, Bensenville, and Senator Larry Leonard, Waukegan, is applicable to physicians, dentists, optometrists, pharmacists and podiatrists.

"Abuse of the medical assistance program of the Department of Public Aid and other health care programs is being tolerated," Thompson said. "That's why today I am

signing this bill to fight Medicaid fraud by strengthening existing licensing laws. When a government pays a professional to perform services for the needy, that payment is based on trust.

"Whenever a professional violates that trust, the state must take whatever action is necessary to strip such persons of their credentials and protect the public from such abuse. With the signing of this law, the state will," the Governor said.

Thompson also said that while this bill focuses on fraud of the Medicaid system, he would support additional legislation to effect private health care systems as well.

Thompson signed the legislation in Chicago during a workshop involving the Citizens Committee for Adequate Public Aid Grants. In addition to the bill signing, Thompson also reviewed the actions of his

administration in the area of welfare reform and discussed a new project designed to help people who want to find jobs.

The new program, which went into effect July 1, is called the Welfare Demonstration Project. The federally funded program enlists the aid of a new type of public aid worker — the self-support broker — whose sole responsibility will be to help clients find jobs.

"We have many programs in our state which offer some form of education, training or job placement assistance to public aid clients, but too often these programs are not used to their full advantage," the Governor said.

"The Welfare Demonstration Project attacks this problem in a very direct way. The self-support brokers will examine the adult public aid caseload, screen out those who are truly unemployable, assess the remainder in terms of existing manpower programs, refer them to the appropriate agency and then track their progress to make sure every assistance was provided," Thompson said.

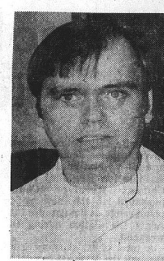

**SCHOOL PATROLS.** Sixth grade students at Nameoki School who are elected to serve as safety patrols during the current school year. Front row from left, Pain Svoboda, co-captain, Rachel Coleman, co-captain, Keith Bono; second row, Deana Stephens, Sherri Case, Sharon Holman, Marie Longos, Mark Mathis, Wayne Lyons; third row, Linda Dupont, Lisa Jones, Tana Burkovich, Donnie Hemphill; fourth row, Jill Werth, Liz Kovarik, Melissa Mills, Eric Newsome; back row, Dawn Bald, Justine Davis, Elaine Reinel, Paula Rozycki, Scott Koberna, Eric Rainwater was not present for the picture.

## New Air Force office planned in Nameoki area

Staff Sergeant Dennis E. Daigle has been selected as Air Force recruiter for a new office scheduled to open Sept. 16, at 3675 Nameoki Road here.

A native of Pensacola, Fla., Sgt. Daigle is a 12-year Air Force veteran. He recently completed the intensive six-week Air Force Recruiter course at Lackland Air Force Base, San Antonio, Tex.

Prior to his recruiting assignment, he was assigned to Headquarters United States Air Forces Europe Ramstein Air Base, Germany, where he served as a communications controller.

**STAFF SERGEANT DENNIS DAIGLE**  
Air For Recruiter

Married to the former Diane Nelson, of Decatur, Ill., who also is a staff sergeant currently assigned to Scott AFB, The Daigles have one child, Alexander, 6. They will reside in Caseyville.

Sgt. Daigle said "I'm really looking forward to getting the family settled and opening the new office. We will be open five days a week from 8 a.m. to 5 p.m."

Information about the Air Force may be obtained by calling 876-3223 or by stopping at the Air Force Recruiting office.

**MOTORCYCLIST INJURED**  
Dennis Rubenacker, 22, Creve Coeur, Mo., was injured when his motorcycle and the auto of Kathleen Foster, 2516 Iowa St., collided at Kale and Jorden avenues at 7:50 p.m. Monday. Rubenacker was taken by police to St. Elizabeth Hospital where he was treated for a cut to his head and bruises to his chest, left side, right knee and both ankles. He declined X-rays and signed himself out of the hospital.

## Author explores family 'roots' by interviews

**FAMILIES**  
By Jane Howard  
(Simon and Schuster)  
Book reviewed by Betty Richardson

SIUE Department of English Jane Howard's earlier book, "A Different Woman," was a celebration of life — life as it is, not as we fantasize it to be or as radicals and conservatives say it should be.

Interviewing women — the aged, the crippled, the commune dweller — Jane Howard explored her own identity as a woman as that sense of identity deepened through what she learned about the lives of others. Now, in accordance with the fashion, she explores "roots."

By roots, she means the clans, the families, the tribes that give energy and structure to the individuals within them. Through interviewing, she explores the strengths and weaknesses of her own clan, of

an extended Greek family, of the enormous family of a former hairdresser turned evangelist.

From these groups, she extracts an element that she perceives as essential to sane human existence. It is what E. M. Forster, whom she quotes, termed the need "to connect," in the most generous and humane and least obscene sense of that verb.

The author speculates, then, on the ways in which "connections" can be re-established among friends and peer groups.

Her previous book was an easier work to write. After all, approximately half of all humans are women, and an extraordinary number of humans, men and women alike are fascinating in their wit, intelligence, and courage. In "Families," however, she must turn to the issue of how to create a self, a life, and an extended family.

Obviously, the creation of a life is more difficult than the endurance of one. It is not surprising, then, if her tone is occasionally nervous and sometimes frantic. The author remains, nonetheless, a first rate journalist with a compelling and lucid style and an instinct for the telling example.

## Tandy Corp. sells \$1 billion

Tandy Corporation, parent company of the Radio Shack electronics store chain, has announced the 16th consecutive year of increased earnings per share and their first fiscal year of billion dollar sales. Earlier, the company had reported reaching the billion dollar sales level for the 1977 calendar year.

Net income per share for the year ended June 30, 1978 rose 32 percent to \$2.75 from \$2.09 for fiscal 1977, based on 27 percent fewer shares outstanding during fiscal 1978. There was a two-for-one stock split in June 1978. Average common shares outstanding were 24,034,000 this year, compared to 33,004,000 a year ago.

Sales for the twelve months ended June 30, 1978 were \$1,039,324,000, an increase of 12 percent over sales of \$949,267,000 for the year ended June 30, 1977.

"Reaching the billion dollar mark is a very proud and notable achievement in Radio Shack's history," according to Lewis Kornfield, president of the division, "especially when you consider we were only at about \$12 million just 15 years ago."

## Thompson to address hotel, motel owners

Illinois Governor James R. Thompson will be the keynote speaker Saturday, Sept. 30, at 9 a.m. at the Illinois Hotel and Motel Association's (IHMA) annual convention at the Clock Tower Inn in Rockford.

MAYOR PAUL SCHULER visiting the fourth grade class of Mrs. Dorothy Lakin, at Mitchell School, in conjunction with a career study. The mayor spoke to the students about the duties of his office and various projects which effects the area residents.

## Apple picking time

By CHRIS DOLL  
Area Gardening Adviser  
Apples are best when mature and they are maturing later than last year. This means that Jonathans are about ready for picking in Southwestern Illinois. Red Delicious and Golden Delicious will mature the latter part of this month.

Picked fruits should be gently placed in a container, and handled carefully thereafter to avoid bruising. If apples are to be stored, select firm, unbruised specimens that are free of insect and disease blemishes. Place them in a poly or plastic bag to prevent dehydration and store in a refrigerator. A good cool cave or basement is second best to a refrigerator.

The date apples mature depends upon the time of blooming, the growing season, and the variety. The cool spring of 1978 delayed the bloom period and the early growth of the fruit. The growing season weather did not offset this delay and harvest is correspondingly late.

## Suffers gunshot wound

Danny Farley, 34, of 2712 Denver St., suffered gunshot pellet wounds to his left hip Tuesday night and was admitted to St. Elizabeth's Hospital at 8:20 p.m.

Authorities have been unable to determine where the shooting occurred. Granite City police were told Farley left his home saying he was angry at a Lola Avenue (Mitchell) man and was going to go talk to him about some work the man had done for him.

He was admitted to the hospital less than one-half hour later. Granite City officers checked Farley's home, but found no signs of blood or shotgun shells, they said.

Madison County sheriff's deputies were asked to check the Mitchell man's home and reported finding Farley's car at that location with the front windows broken, but there were no signs of blood or other evidence of a shooting having occurred there, they reported. The man who lived at that address denied knowledge of

where the shooting occurred. Neighbors were questioned and said they did not hear any shots fired.

Police said Farley declined to discuss the shooting with them.

## Checks for student grants available

Students receiving Basic Education Opportunity Grant (BEOG) checks this fall at Southern Illinois University at Edwardsville will be able to pick up their money starting Monday, Sept. 18, according to K. R. Hacker, bursar.

Hacker said students must be registered before they can pick up the checks.

Students receiving BEOG checks will not need to seek deferments during the fall quarter. Student deferments are still available to other students who need them.

According to Hacker, recipients of BEOG checks should already be notified of the award.

## Eagles Auxiliary grand president to visit here

The national president of Eagles Auxiliaries, Mrs. Bonnie Quatkemeyer of Sarasota, Fla., will be the honored guest of the local Ladies Eagles Auxiliary on Oct. 17, it was announced Tuesday night, by President Kathleen Reed of Granite City.

Mrs. Reed added invitations have been sent to auxiliaries in the district eight area to attend the meeting and become acquainted with the national president.

Mrs. Quatkemeyer is a member and past president of Auxiliary 2756, Sarasota, and was unanimously elected to her present office during the 26th grand auxiliary convention held in Minneapolis, Minn.

She had previously served as grand treasurer and grand outside guard for the national organization.

The guest officer organized her local auxiliary in Sarasota in 1975, and served as president. She also was the first president of the Florida State Auxiliary.

In addition, the four major humanitarian projects, Heart, Cancer, Children's Fund and Golden Eagle Fund of the Order, have profited by her services, especially the Jimmy Durante

MRS. QUATKEMEYER

Children's Fund, for which she was appointed as Southeast Regional Director for two years.

Ritual work plays an active part in Mrs. Quatkemeyer's Eagle affiliation as she has served as vice-president of the Sarasota Team for a number of years, as well as serving the Grand Aerie and the Grand Auxiliary on various occasions by organizing new auxiliaries in Florida and instituting new units for the Order.

Also active in the organization is her husband, Tony, her mother and father, a daughter and two brothers, according to the report.

After the regular business session of the local group Mrs. Ruth Paulsen served refreshments and awarded special prizes to Mrs. Lucy Baumeyer and Mrs. Ann Konopka.

## Trio Unit studies "Care of Woods"

Jan Perkins, extension advisor for the Madison County Homemakers Association, spoke on the topic, "Make Your Woods Last" at the first fall meeting of the Trio Unit held in Hope Lutheran Church hall, last week.

Preceding the session hostesses Ivan Graklanoff, Emma Jakich and Mabel Gertsch served a dessert luncheon.

The pledge to the flag was led by Chairman Helen Roesser who also welcomed 29 members and five guests.

Reports included the announcement by Florence Rapp that the unit has 49 registered members, and Ruth Brave added two girls from the 58ers 4-H Club won state awards for their entries. She added Mrs. Arla Ault will assist with the 4-H

Club meetings beginning this month.

Mrs. Genevieve McCombs and Mrs. Lucy Stewart volunteered to serve this month with the Mobile Meals program.

A cultural arts meeting will be held on Sept. 25 with Mrs. Jakich and Delores Rabe, and the change of crafts day from Nov. 7 to Oct. 31, due to the election, and a district meeting on Nov. 21, was noted.

The chairman appointed Louise Anderson, Marie Durbin, Rita Rittenhouse and Alice Profender to serve on the phone committee.

A silent auction will be featured at the Oct. 3 meeting, according to the chairman. After the session Mrs. Louis Anderson, recreation chairman, awarded prizes to Mrs. Durbin, Genevieve Hill and Mrs. Helen Robertson.

## Christening service for Lindie Rosenberg

Lindie Nicole Rosenberg, 4-week-old daughter of Mr. and Mrs. Gerald L. Rosenberg, 2648 Adams St., was christened at St. Joseph Catholic Church with Father Victor Chateaufort officiating.

Godparents were an aunt and uncle of the infant, Mr. and Mrs. David Rosenberg.

Following the service, a dinner was held at the Rosenberg home.

Those attending were grandparents, Mr. and Mrs. Gerald E. Rosenberg, and Mr. and Mrs. George Kukarola, the honoree's brother and sister, Jeffrey and Ann Marie.

Also Mr. and Mrs. David Cruse and children, David Jr. and Dianne, Mr. and Mrs. Louis Aleman and sons, John and James, Mr. and Mrs. Merl Jennings, Jim and Carl Kukarola, and out of town guests, Mr. and Mrs. Tim Feeherty and daughter Kristi, Mr. and Mrs. Kenneth Kalz and son David, Mr. and Mrs. Regis Henckler, Mathew Abramovitch, all of St. Louis County, and the Rev. and Mrs. Heneghan and son Aaron of Rantoul, Ill.

## Party honors Louis Aleman

Mr. and Mrs. Louis J. Aleman Jr., 2816 Dogwood Drive, entertained guests at a party in honor of the ninth birthday of their son, Louis John Aleman III.

The birthday cake centered the table decorated in a "little boy and his puppy" theme as the honoree received a new puppy as a birthday gift.

Refreshments were served to the guest of honor's brother, James Jeffrey and Mr. and Mrs. George Kukarola, Carl and Jim Kukarola, Mr. and Mrs. David Cruse and David Jr. and Dianne, Mrs. Rita Rosenberg and Jeffrey, Ann and Lindie, and Mrs. Helen Feeherty and Kristine of St. Louis County.

## Revival opens at Bethesda Temple

The Rev. Stan McKibbin of Lakeland, Fla., formerly of Toronto, Canada, will be the guest evangelist at the revival services beginning Sunday at Bethesda Temple, 22nd and State streets, the Rev. Charles Browning, pastor, announces.

Services will be held at 7:30 each evening and conclude on Friday, Sept. 22, it was announced.

# 'Women Involved' Saturday at South

By VALERIE EYENDEEN Press-Record Staff Writer

Perhaps the most diversified and comprehensive program ever to be offered in the Quad Cities, concerning up-to-date information directed at women employed in business and the professions, women working at home, high school and college students and senior age women, will take place Saturday at Granite City High School South cafeteria.

Participation in "Women Involved," a program of assertive training and workshops on a variety of topical subjects, plus a luncheon and state show, is open to all area women regardless of employment status or age.

Louis Aleman, president of the Granite City Business and Professional Women's Club, said today.

"This day is geared to you," Mrs. Aleman said.

Whether you work at home or in business, whether your children are toddlers, teenagers or grown and whether you expect to return to the job market someday, or remain in the home. This program is for you.

The local BPW club is sponsoring the day-long activity as part of a national awareness program. The club hopes to provide new opportunities available today—jobwise, as a parent, or as a woman needing some form of advice or assistance.

For information concerning reservations, those interested may contact Ruth Bell at 876-4415, or Wilma Large, 877-4415.

A \$5 registration fee is being asked which covers the cost of a buffet luncheon, workshops and assertive training sessions.

Between the luncheon and afternoon workshops, a fashion show, based on the theme, "Dress for Success," will be presented by Tops 'N' Bottoms Shop, Boutique II, Marilyn's House of Fashions, and Cut and Kurl Rendezvous Boutique.

Bonnie Goldenberg, co-owner and operator of Boutique II and a member of the BPW club, is serving as chairman and commentator for the show.

"The show will focus on wearable fashions for the working woman and the prospective working woman," she stated.

Sharon K. Margolus, co-director of Women's Programs at the University of Missouri-St. Louis, will be the principal speaker at the assertive training program from 9:30 a.m. to 11:30 a.m. Saturday.

Registration and a coffee hour will commence at 8:30 a.m. in the South cafeteria, Mrs. Belleville said.

A qualified assertive training instructor with wide experience in this field, Miss Margolus will present a background of the self-assertive concept and explain the difference between non-assertion, non-assertion and aggression.

She also will describe the blocks many women use instinctively to stop themselves from handling situations in an assertive manner, and by doing so, defeat their own purpose.

Stephanie Robbins, assistant state's attorney for Madison County, whose successful prosecution of rapists drew high praise last week from state legislators on the Rape Study Committee, is among the distinguished leaders of afternoon workshop sessions.

Each "Women Involved" participant may attend two workshops, between 1:30 p.m. and 2:30 p.m., or from 2:45 p.m. to 3:45 p.m. Saturday.

Mrs. Robbins will lead the workshop on "Legal Rights for Women."

Since March 1977, Mrs. Robbins has prosecuted 16 rape cases with 16 convictions, resulting in the imprisonment of all rapists.

Nicholas G. Byron, Madison County state's attorney, told the Illinois legislative committee at last week's public hearing at Southern Illinois University at Edwardsville, that Mrs. Robbins, his assistant, has achieved the highest rate of convictions of accused rapists in the state.

In addition to her legal assistant, the county's first woman assistant state attorney is credited by many with

an ability to reassure victims of rape, who are afraid to talk, and to overcome their understandable horror of discussing such a personal and tragic happening, a crime that appears to be increasing in this area.

Mrs. Robbins, the mother of two children, achieved her doctor of law degree from St. Louis University in 1976.

In 1970, she attained a Ph.D. in Spanish from the University of Texas.

She has been employed as assistant state's attorney in the Criminal Felony Division for Madison County since the fall of 1976.

Mrs. Robbins is a member of the Madison County Bar Association, Board of Advisors to the Rape and Sexual Abuse Care Center at Southern Illinois University at Edwardsville, board of directors of the Edwardsville Cooperative Nursery School and the League of Women Voters.

"Rape Prevention" is another workshop available to those taking part in "Women Involved."

Judy McNeilly, a graduate assistant working in the Rape and Sexual Abuse Care Center at SIUE, will be the workshop leader.

Miss McNeilly will explain the services available to the victims of rape and sexual abuse and their families, including support, care and counseling.

She will provide current information concerning the incidence of rape and sexual abuse in this area, community response to the problem and how help can be obtained by a victim.

Additionally, Miss McNeilly will show a film on prevention techniques and distribute literature regarding rape prevention.

She noted the SIUE center maintains a 24-hour hot-line at 1-800-2197, in addition to the regular office line, 1-800-2197, between 9 a.m. and 5 p.m.

The spokesman for the Rape and Sexual Abuse Care Center has worked with rape and sexual assault victims since March 1974. She is among those who wrote the proposal leading to the establishment of the Rape Care Center at SIUE.

She is chairman of the Task Force on Rape, Metro-East Chapter of the National Organization for Women, and presently is working in the master's degree program in Counselor Education at SIUE.

The "Career Development" workshop will be led by Helen McIlvain, Ph.D., an educator and counselor at Belleville Area College, and Kathy B. Lindholm, an academic counselor and adviser, also at BAC.

Mrs. McIlvain, the mother of a son, received a doctorate in Counseling from Kansas State University in Manhattan, Kan., in 1977.

Prior to that time, she spent a one-year clinical internship with the Center for Rational Therapy and Training at the University of Kentucky Medical School, Lexington, Ky.

As a counselor at BAC, Mrs. McIlvain works with women who are returning to school area, in the human development services.

Her spare time activities include reading mysteries, skiing, jogging, traveling and "being with friends," she said.

Miss Lindholm received a B.S. degree in Home Economics and Liberal Arts and a B.A. in French from Kansas State University and a master's degree in Education from Northern State University at Normal.

She was a graduate assistant at ISU for two years in the Department of Counselor Education and in the Student Counseling Center. Among the groups she has organized at BAC are those focusing upon the "Women Returning to Work" program.

Currently, Miss Lindholm is in the process of establishing a study skills class for women

"Interview Techniques and Resumes."

She is a native of Salem, Ill., and has lived for the past five years in the metropolitan bi-state area with her husband, Rich.

Mrs. Reiker is a 1972 graduate of Eastern Illinois University at Charleston, with a bachelor of science degree in Political Science. She has continued her education in various courses such as business, psychology and recreation.

Employed by Snelling and Snelling since October 1974, she has served as liaison between the company and community groups, high schools and social organizations and is an active member of the Missouri Association of Private Employment Agencies.

In October 1976, she was granted national recognition as a Certified Employment Counselor.

Since March 1977, Mrs. Reiker has been affiliated with Contact—St. Louis, an ecumenically based crisis intervention service. She completed 50 hours of counseling training to serve on its staff.

She is an active member of Federated Belleville Business and Professional Women and has held office as second vice-president and chairman of two committees.

Vicki D. Roe, a field representative for the Social Security Administration, will direct the workshop, "Everything About Social Security."

Polly S. Jones, a visiting instructor at SIUE, specializing in Business Administration and Consumer Economics, will direct the workshop, "Self Development and Self-Motivation."

At "Women Involved" day, several agencies offering services to women will have information booths, Mrs. Belleville said.

The luncheon will start at 11:45 a.m., concluding at 12:45 p.m., with the style following. For last minute registration, those interested should call one of the two phone numbers listed previously.

BURGLAR ON BENTON A rear door was kicked open to gain entry to the home of Dean Miller, 2209 Benton St., where a \$15 rifle and a \$15 calculator were stolen between 6:45 and 8:45 p.m. Tuesday.

## Contract for drainage work

By GARY SCHNEIDER  
Press-Record Staff Writer  
Plans for improving drainage in Nameoki Township were discussed by the Nameoki Township Board of Trustees during the board's regular meeting Monday night.

The board awarded a \$2,350 contract to Kamadulski Excavating to improve drainage under Route 162 at the Elm Slough near the Ben Livingston Shell company about a mile east of the town hall.

Kamadulski submitted the lowest of three bids to do the work, which includes a new culvert under the highway 20 feet wide and about 300 feet long, improvements to the drainage ditch and construction of about 75 feet of diversion dam to aim the water through the new culvert.

Trustee W. Lee Adams said he met with all the bidders before they submitted bids to explain what work needed done.

## Observe Constitution Week

The week of Sept. 17 to 23 is to be observed as constitution week by proclamation of President Jimmy Carter on a national level, to commemorate the 191st anniversary of the signing of the constitution of the United States (Sept. 17, 1787).

Granite City Mayor Paul Schuler signed a proclamation for the Drusilla Andrews Chapter, of the Daughters of the American Revolution, this week, marking the observance in this area.

Members of the local chapter of DAR reminded residents to fly the American flag throughout the week.

A representative of Drusilla Andrews Chapter added, "It is the oldest constitution still in active use in the world today and is the basic document of the United States government, a government which protects the individual liberties of its citizens."

"The purpose of the observance this week is to renew appreciation of our constitution and our country. There are

those of us who have become complacent, accepting our constitution and our freedoms as a right without thought of our own individual responsibilities."

## 2 hurt on 27th

Two were injured when the cars of Philip Wright, 2827 Washington Ave., and James Hinson, 21, of 2705 Maryville Road, collided at 27th and Iowa streets at 8:05 a.m. Tuesday.

Hinson was charged with following too closely. He was taken by ambulance to St. Elizabeth Hospital where he was treated for multiple cuts to his face with imbedded glass and a bump to his head which knocked him unconscious for a period. He was admitted for surgery.

Mrs. Kara Wright, 27, also of 2827 Washington Ave., was taken by ambulance to the hospital and was treated for abrasions to her lower legs. X-rays were taken and she was released.

## Venice to raze old structures

An ordinance permitting the razing of structures determined to be in "dangerous condition" was enacted by the Venice City Council Tuesday night.

The structures at which the measure is directed are located at 1118 and 1122 Market St., 1211 Logan St., 1206 Douglas St., and 213 Hampden St.

Three residents attending the council meeting voiced complaints that their autos had been towed away on police orders.

Chief of Police Rulpi D. Brawley said, "We have been instructed to enforce the city ordinance about cars in the street creating a hazard and not being properly licensed, or abandoned."

Mayor William Ebersold told the group they would try to work with everybody, but the city is going to do everything it can to maintain a clean and neat city.

"We need the cooperation of everybody and we as the city officials will cooperate, but Venice is a good town and we want to do it all we can to keep it clean and safe for the people," Ebersold said.

**CADET PETE FEUCURKA JR.**, son of Mr. and Mrs. Pete R. Feucurka, 3224 Carlson Ave., has returned to Roswell, N.M., for his sophomore year at New Mexico's Military Institute, after completing six weeks advanced training this summer at Fort Riley Advanced Camp at Fort Riley, Kan. He is a 1977 graduate of Madison High School.

## SIUE sessions for teachers

Two special sessions for elementary school teachers have been scheduled by the Teachers' Center Project (TCP) of Southern Illinois University at Edwardsville.

On Thursday, Sept. 21, a work session conducted by Creative Publications, Inc., Palo Alto, will take place in Room 1312, Building III, on the SIUE campus. According to Thomas O'Brien, TCP director, Creative Publications is one of the nation's leading producers of learning materials for children. The session will begin at 4:30 p.m.

On Thursday, Oct. 5, John Bates, director of Inner City Education for the Metro-Toronto schools, will lead an informal seminar entitled "The Growth of Children's Ideas." The session begins at 4:30 p.m. in Room 1312 of Building III.

Both sessions are free of charge.

## THEFTS FROM AUTOS MOUNT

Granite City police are investigating a series of auto burglaries discovered Tuesday morning, many in which some kind of tool was used to punch a hole near the door or trunk locks and unlock them.

Two cars parked in the 1500 block of Niedringhaus Avenue were tampered with. The car of Kathy King, 2332 Fortune Drive, had the trunk lock punched and a \$10 webbed lounge chair removed.

Mary Hanke, 2260 Delmar Ave., whose station wagon was in the 1500 block of Niedringhaus Avenue, had signs something was used to unlock a door, but nothing is known missing. There were scratches on the rear of the vehicle.

Two vehicles in the 2400 block of St. Clair Avenue had the trunk locks punched in. The spare tire and wheel were taken.

In the same area, Cecil Shelton, 3100 Edgewood Ave., discovered a door lock to his car had been punched in at his home and a \$20 camera stolen from the glove compartment.

Margaret Delaney, 2601A Washington Ave., also notified police the trunk lock of her car was damaged and the spare tire and wheel and a briefcase full of sheet music were missing.

## CHRISTINE HARPER Contest Winner

### Makes high score in baton contest

Christine Lyn Harper, 8, daughter of Mr. and Mrs. Harold L. (Ann) Harper, Rural Route Two, Sunny Dell Acres, attained top scores in a baton twirling contest held during the weekend at Wilson Park rink pavilion.

In excess of 500 youngsters and teenagers from several states were involved in the competition.

The large-scale event was sponsored by Harold Yount School of Baton in Granite City, where Christine is a student.

A third grade pupil at Russell D. John Elementary School, Christine captured first place for 7 and 8 years old in military march and basic solo events.

She received a third place award for Illinois participants, 7 to 10 years old, in a solo routine, and three first places as part of dance twirling teams.

Recently, the twirler scored a second place finish for a solo number she performed at the Illinois State Fair in Springfield.

In addition to baton twirling, Christine plays softball and this week received a trophy as a member of the Captain Clippers, a team in the Petite Division at Mitchell Athletic Field.

## Circles hold joint meeting

Honor and Love Circles of Niedringhaus United Methodist Church met in a joint session last week in the church parsonage with Mrs. Betty Mathae, Mrs. Golda Boyle and Mrs. Gladys Potillo serving as hostesses.

Prayer was offered by the Rev. William Mathae followed by a welcoming address by Mrs. Jan Kohl. These present sang a hymn and recited favorite verses from the Bible.

Mrs. Dorothy Allen presented, a devotional lesson on Deborah in conjunction with the continuing study of the women of the Bible.

Dates of interest announced by Mrs. Dolores Allen, president of the United Methodist Women, included a general meeting set for tonight featuring Dr. David Wyatt, author of the "Velveteen Rabbit" and a district meeting on Sunday at the Cahokia Methodist Church, and workshop of the Church Women United to be held on Oct. 3, at St. Peter's Evangelical United Church of Christ.

Mrs. Eula Davis, chairman of the November bazaar, spoke on the progress of the event and displayed several items already completed.

Closing remarks were by Mrs. Mathae and prayer to dismiss the bazaar was offered by Mrs. Lucy Weaver, leader of Honor Circle.

Those from Honor Circle present were Pearl Campbell, Beulah Fox, Winifred Reimers and Gussie Pender. Love Circle members included Joanne Kraus, Ida Cariss, Esther Traylor, Goldie Fischer, Mary Miller, Joni Karandeff, Lynn North, Janet Wilson, Sharon Schaffer and Clara Huber.

## Revival to open at State Park Baptist

# New benefits for elderly

Office of Lieutenant Governor Dave O'Neil

Q. I heard that Governor James R. Thompson recently signed legislation which would benefit senior citizens. What is the new law?

A. The governor, during the last week in August, signed legislation (H.B. 2691) that will provide up to \$6 million for use in keeping the elderly and some others in their home environments and out of institutions as long as possible. The new law provides help in defraying the cost of the services needed to keep an elderly person at home instead of being placed in nursing homes or other institutions. Cost of the program for Fiscal Year 1979 is estimated at less than \$6 million but the full amount will be available if needed. Effective date of the bill is Jan. 1, 1979.

Q. Who will administer the program?

A. The Department of Public Aid, with cooperation from the Department on Aging.

Q. Why won't the Department on Aging be fully responsible?

A. Because the General Assembly assigned the responsibility for the program to the Department of Public Aid. However, Governor Thompson and Lt. Governor O'Neil will be taking a close look at the operation of the program during its first year and may change the operation to the Department on Aging in Fiscal Year 1980. Senior Citizen groups also are invited to monitor the program.

Q. What are the specifically authorized services which may be purchased under the new program?

A. Home health care, home nursing, homemaker, chore and housekeeping, day care, home-

delivered meals, education in self-care, personal care and other non-medical social services that may enable a person to become self-supporting. The Department of Public Aid has the option to fund pilot

programs or projects or experimental facilities as alternatives to institutional care. The Department is also charged with the responsibility of establishing eligibility standards for participation in the

home care program, with the cost of services and other maintenance expenses to be related to the standards established for care in a group facility appropriate to the person's condition.

## More servicemen saving for future education

About 34 percent of the young men and women joining the volunteer Army are choosing to save \$50 to \$75 a month for education, according to Lieutenant Colonel John B. Sharp, U.S. Army St. Louis District Recruiting commander.

The VEAP provides matching funds for money a soldier saves for education during his or her enlistment. For every dollar saved by the soldier, the government matches two dollars, up to a maximum joint total of \$8,100. The money can be used to pay tuition for ap-

proved college or vocational-technical courses after separation from the Army. If a soldier does not use the educational benefits, his or her contributions are returned. The Army attributes the increase in soldier participation in the VEAP to a growing trend — young people who are interested in higher education are joining the Army in increasing

numbers for its educational benefits. One popular benefit is the Army Tuition Assistance Program, which lets soldiers attend college or vocation classes during their off-duty hours while in the Army. Under this program, the Army pays up to 75 percent of tuition for approved courses.

## Officers hurt in scuffle at headquarters

Terry Gargac, 28, of 2005 Bryan Ave., who allegedly was wanted by police in relation to a traffic violation, eluded officers who approached him at a stop sign and was later arrested at his home during the weekend. According to police, Gargac refused to show his driver's license to five officers, David Rosenberg, J.W. Apperson, Douglas Law, David Anderson and Sgt. Dennis Joyce, at his home and physically resisted the officers when he was advised he was under arrest and ordered into a police car. Gargac reportedly refused to give booking information at the police station and Officer Apperson had to take Gargac's property from him while he was being restrained, officers said. The arrested man refused to go in a cell and necessary force was used. It was reported. He was arrested for resisting a peace officer and received tickets alleging two stop sign violations and a stop light violation.

During the scuffle at the booking window, Apperson and Rosenberg were both injured and the shirt worn by Anderson was torn. Both injured officers were taken to St. Elizabeth Hospital for X-rays and Rosenberg was treated to an injury to the right elbow and Apperson was treated for two broken bones in his right hand. Both were released.

**TREATED FOR CUTS**  
Alfred Homan, 25, of 2100 Missouri Ave., was treated for a two-inch cut to the scalp and a cut on the forehead at St. Elizabeth Hospital at 4:03 a.m. Saturday. He was taken to Public hospital by ambulance and released after treatment.

## Marriage enrichment weekend

The staff of the recently-expanded Living Resource Center at the National Shrine of Our Lady of the Snows has invited interested couples to participate in a Marriage Enrichment Weekend Sept. 22-24.

This weekend retreat will be led by Fr. Dave Kraus, OMI, director of the Living Resource Center. The program will begin Friday evening and run through

Sunday afternoon.

Marriage Enrichment Weekends are designed to provide couples with a time of quiet reflection to assess and reaffirm the values of Christian marriage — especially the values of their own relationship. Discussions include attitudes toward self, communication in relationships, sexuality, hurt and forgiveness, God, prayer, and

others.

Designed to aid couples in growing toward a more dynamic and exciting marriage relationship, Marriage Enrichment Weekends are sponsored by the Living Resource Center several times a year. Future dates for this year are: October 27-29; and November 3-5. For more information about the Marriage Enrichment Weekend September 22-24, Quad-Cityans may call the Living Resource Center at the Shrine, 397-4700 or 241-3400 from St. Louis.

## Patents conference Monday

A one-day conference on patents, copyrights and trademarks will be held Monday from 9 a.m. to 5 p.m. at the Ramada Inn, Interstate Highway 270 and Page Boulevard, St. Louis.

The conference, the fifth annual meeting on these subjects, is being sponsored by the University of Missouri, Bar Association of Metropolitan St. Louis, Missouri Division of

Commerce and Industrial Development, St. Louis Regional Commerce and Growth Association, U.S. Department of Commerce, and U.S. Small Business Administration.

Luncheon speaker will be Rene D. Tegtmeyer, assistant commissioner for patents, U.S. Patent Office. Businessmen interested in patents, copyrights,

trademarks, or trade secrets is invited to attend the conference. Such questions as how to protect ideas and profit from them will be answered.

Further information may be obtained from: Dr. R. F. Wehrmann, University of Missouri Extension Center at 1-314-623-4513.

## South Homecoming Week Sept. 25-29

Students and faculty at Granite City High School South, are preparing for Homecoming week festivities from Monday, Sept. 25, through Friday, Sept. 29.

"Conquer Cahokia on Warrior

Warpath" is the homecoming. The South Football Warriors will play Cahokia at 8 p.m. Friday, Sept. 29, in the official homecoming football game.

Prior to the game on Tuesday, Sept. 26, at 7:30 p.m. in Wilson-Rick, there will be a bonfire and pep rally. The dance will follow the football game on Friday in the school cafeteria from 10 p.m. until midnight with the band "Allspice" furnishing the music. Dance tickets are \$1 in advance and \$1.50 at the door.

The play "Stage Door" will be presented on Wednesday and Thursday Sept. 27 and 28, at 7:30 p.m. in the auditorium. Coronation of the queen and king will be held after the play, both nights.

The South king candidates are Lee Conrad, Katie Hudson, Kit Walmsey, Kathy Longos, Susan Range, Cindy York, Bonnie Luebert, Mary Earney, Kim Rapp, Beth Worthen and Robyn Gionko.

The voting is done by student secret ballots and the results remain a secret until the coronation ceremonies.

## Rites for former GC minister

Funeral services were held Wednesday, Sept. 6, for the Rev. Clair Clark, 58, 551 N. Main St., Bridgeport, Ill., a former Granite City minister, at the Bridgeport Petralia United Methodist Church.

Rev. Clark died on Monday, Sept. 4, at his home of an apparent heart attack. He served Trinity United Methodist Church, Granite City, from 1963 until 1971. Rev. Clark pastored the Bridgeport Petralia United Methodist Church and was a member and service chairman of the Southern Illinois Conference of United Methodist Churches since 1950.

Survivors include his wife, Mrs. Edna Clark; one son, Dan Clark of Memphis, Tenn.; three daughters, Mrs. Don (Mary Lou) Shaner, Mounds, Ill., Mrs. Michael (Jeanne) Hensley, Metropolis, Ill., and Mrs. Art (Carol) Hager of Memphis, Tenn.; one brother, Frank Clark of California; and three grandchildren.

## Services held for Mrs. Sasyk, 58

Funeral services were conducted at a Normandy, Mo., funeral home at 1 p.m. Wednesday, Sept. 13, for Mrs. Pearlina O. (Woodson) Sasyk, 58, of Freeport, Mo. She died Sunday evening, Sept. 10. Mrs. Sasyk was born in Paducah, Ky., and had resided in the Quad-Cities until moving to Missouri.

Survivors include three daughters, Mrs. Jane Lake, Florissant, Mrs. Joan Dvorak, and Mrs. Carol Pinta; four sisters, Mae Billingsley, Lorine Leach, Myrrel Doolittle, and Dorothy Albers; a brother, Joseph Woodson; her mother, Mrs. Nellie Woodson; two grandchildren; and her former husband, Nick Sasyk.

Burial was in Vahlala Cemetery, St. Louis County.

## Robin L. Dutko becomes Mrs. Thomas D. Newman

Miss Robin Lynn Dutko, a daughter of Mr. and Mrs. Frank Dutko, 1805 Fifth St., Madison, and Thomas Dale Newman, a son of Mr. and Mrs. Dwight Newman of Baylis, Ill., exchanged wedding vows on July 21, at the Nativity of the Virgin Mary Eastern Orthodox Catholic Church.

The Rev. Vladimir Lecko performed a double ring ceremony at 6 o'clock in the evening. Wedding music was provided by the church choir, and the sanctuary was decorated with coral and white spring flowers.

Escorted to the altar by her father, the bride wore a white crepe chiffon gown fashioned with an off the shoulder bodice with tiny straps, trimmed with Venice lace, and a softly flowing skirt which extended into a chapel length train.

A Venice Juliet cap secured her elbow length veil of bridal illusion, accented with lace motifs. She held a crescent style bouquet of pink Sweetheart roses and cattleya orchids interspersed with greenery and baby's breath.

Bridal attendants included Laura Kinn of LaGrange, Ill., Kelly, Cindy and Becky Dutko, sisters of the bride, Robin Rock, Tina Johnson, and Tina Newman, a sister of the groom. They appeared in identical coral organza Empire dresses enhanced with matching Venice lace trim, and each attendant held a single long stem white rose festooned with Venice lace and white streamers.

Paul Jones attended the groom as best man. Groomsmen and ushers were Rob Pinnell of Mattoon, Ill., Robert Newman, the groom's brother, Gary Warren, Joe, Jeff, and John Cox, Frank Dutko, a brother of the bride, and Brad Harmon.

Immediately following the ceremony a reception was held at St. Mary's Parish Hall. Members of the wedding party and their families were entertained at a dinner given in Charlie's Restaurant, after the church rehearsal.

Mrs. Dutko was attired in a long ivory chiffon floral gown in rust, peach and blue muted tones. The groom's mother selected a white lined dress trimmed in Navy blue and complemented with a matching jacket.

MARRIED. Mrs. Thomas Dale Newman who was married at the Nativity of the Virgin Mary Eastern Orthodox Catholic Church.

Formerly Robin Lynn Dutko, the bride is a daughter of Mr. and Mrs. Frank Dutko, 1805 Fifth St., Madison.

A Madison High School graduate, the bride attended Eastern Illinois University and Lakeland Junior College and was a member of Sigma Sigma Sorority. She is now employed at Union Electric in Alton.

## Mrs. Wallace hosts meeting

The first meeting of the fall season of Truth Circle of Niedringhaus United Methodist Church was called to order by the leader, Mrs. Shirley Lane, in the home of Mrs. Gladys Wallace. Mrs. Lane gave two short devotionals, "New Life on Pusan: Women's Welfare Center" and United Methodist Women Challenge Rewards by Emily Darr, the latter based on "Challenge to Learn; Challenge to Expand Our Minds; Challenge to Become Involved; and Challenge to Care," giving all food for thought at the beginning of a new season.

Announcement was made of the forthcoming general meeting on Sept. 14, at the Niedringhaus United Methodist Women, when Chaplain David Wyatt of Barnes Hospital will speak on "The Velvet Rabbit." On Sept. 17, at Cahokia United Methodist Church there will be a district meeting with Jane Heaton, who will be speaking on Africa. Conference officers will be installed at this meeting. On Oct. 3, Church Women United will present a workshop for Christian women at St. Peter's Evangelical United Church of Christ, it was noted.

Niedringhaus Church will again have an annual bazaar, and all members are urged to be busy making gift items for this affair. Various workshops are being held for this purpose. Luncheon and dinner meals will be served along with the bazaar.

Mrs. Wallace served refreshments to Mesdames Ruby Corbitt, Pauline Cox, Dorothy Pratt, Linda Grouthaus, Maxine Hacke, Fern Hahn, Alice Hunsinger, Susie Kniffen, Shirley Lane, Grace Padlock, Ruth Purken, Linda Grouthaus, Dolores Vogeler, Lucy Weaver, Betty Williams and one guest, Mrs. Pearl Campbell.

The next meeting will be held at the personage with Mrs. Betty Mathae and Lucy Weaver serving as hostesses.

## Gospel Mission service tonight

Ralph Limberg of Maryville Baptist Church will be guest speaker tonight at 7 o'clock services at the Gospel Mission, 2014 E. 20th St.

The public is invited to attend all services at the church, known as the "mission behind the mill."

Dr. George A. Rosenthal of Edgemont Bible Church will be guest minister at 7 p.m. services Sunday.

Church school classes are held each Sunday morning, starting at 9 a.m. Everyone is invited to participate in the church school programs. Mrs. Bethel J. Davis, superintendent, said.

Ten now are enrolled in a new Ladies Bible Study Group, which meets each Wednesday at the home of Mrs. Davis. Anyone interested in taking part in the study program may attend the meeting, the mission officer said.

GOONK'S DRIVE-IN LIQUOR IT'S QUICKER!

MR. AND MRS. WILLIAM REYNOLDS whose wedding was solemnized at St. Mary's Roman Catholic Church in Madison. The daughter of Mr. and Mrs. Nick J. Mance, 3304 Harvard Place, the bride is the former Dorothy R. Mance.

Wedding vows were repeated by Miss Dorothy R. Mance and William Michael Reynolds in a 2 o'clock afternoon double ring ceremony on Aug. 26, at St. Mary's Roman Catholic Church, Madison, with Father Ralph Scherrer officiating.

The sanctuary was decorated with floral arrangements of pink, peach and aqua blossoms on the altar and sprigs of greenery tied with white satin ribbons marking the pews.

Nuptial selections were provided by Mrs. Eleanor Tutka at the organ. The bride is a daughter of Mr. and Mrs. Nick J. Mance, 3304 Harvard Place. Parents of the groom are Mr. and Mrs. Earl Wendling, 33 Crossroads, Fairview Heights, and William Reynolds of Cahokia.

Escorted down the white carpeted aisle and given in marriage by her father, the bride appeared in a full length white Chantilly lace gown fashioned with a modified bodice, featuring a scallop neckline, etched with pearls, and long slender sleeves. Her bouffant tier skirt was worn over layers of crinolines and cascaded in the back into a full sweep cathedral train.

A matching veil trimmed with Chantilly lace was secured to a cap of lace and pearls. The bridal bouquet was composed of white, pink and peach roses intermingled with white and aqua baby's breath.

Miss Ann Mance attended her sister as maid of honor with bridesmaids, Mrs. Andy Mance and Mrs. Nick Mance, the bride's sisters-in-law, Mrs. Debbie Wright and Mrs. Pat Woods, sisters of the groom. They were dressed alike in gowns created in a floral print of pink, aqua and peach on an ivory background, designed with an open capelet necklines and deep ruffle flounces at the hemlines of the skirts, draped to the back and marked with a bow.

Pink roses, peach carnations, aqua mums and baby's breath tied with an ivory ribbon made up their floral bouquets. Amy Lynn Mance, a niece of the bride, and David Wright, the groom's nephew, served as flower girl and ringbearer. She wore a white lace frock made with a square neckline and short puff sleeves. A satin ribbon encircled the waistline and the rose buds accented the bodice and skirt. Her small bouquet was similar to the adult attendants.

Guests were received by the newly married couple at a reception held in the Croatian Home. Registering the guests was Teresa Lowder, the bride's cousin.

A rehearsal dinner was served by the parents of the bride in their home. For her daughter's wedding, Mrs. Mance selected a strawberry chiffon dress with a high neckline and a cape effect over the shoulder and arms. A rhinestone, pick accented the front of the waistline and softly flowing skirt.

The groom's mother was attired in a coral gown fashioned with a high neckline and short sleeves and formal length skirt. Both wore corsages of white carnations and

## Delilah subject of Faith Circle

Bible verses containing the word "delilah" was recited by each member of Faith Circle of Niedringhaus United Methodist Church, to open the initial meeting of the fall season.

The group met last week at the church and Mrs. Alice Cruse, circle leader, conducted the business segment.

There were 91 sick calls made it was announced. Mrs. Cruse reminded the group that the circle is to assist at the general meeting of the United Methodist Women.

In keeping with the program theme of the women of the Bible, Mrs. Paula Smith gave a lesson in Delilah.

Afternoon hostesses included Mrs. Bessie Milton and Mrs. Doris Youngs. The next meeting is scheduled to be conducted at the church parsonage, 3204 Harvard Place.

Others attending were Eula Meyers, Woodie Lynn, Cornelia Richardson, Clara Satoroff, Doris Wigger, Olga Tierney, Geraldine Thomas, Rebecca Wallace, Marylouise Nuepelt, Ella Ray Smith and Mary Ahlbers.

## Carnival Glass guild program

The Afternoon Guild of St. Peter's Evangelical United Church of Christ, opened its fall meeting schedule with a salad smorgasbord at a 12 noon luncheon held in the church hall, last week.

Thirty-seven members and four guests attended the opening session which featured a program on Carnival Glass presented by Mrs. Arline Brinkmeyer.

A devotional lesson entitled "Seven Ways to Have a Good Day" was presented by Mrs. Virginia Mc Lester.

President Janet Harmon welcomed the guests and thanked the

chairman and lunch committee for planning the initial meeting. Mrs. Gladys Kador read a letter from the manager of an overseas school in relation to a boy sponsored by the guild as a missionary project.

Announcements included the notation of a planning leadership meeting at the church on Tuesday for the Church Women United workshop, and hosting the workshop on Sept. 26.

The next meeting on Oct. 3 will be a trip to Hiltz Home in Alhambra, to entertain the residents and present them with gifts. Those planning on taking the trip are to leave the church grounds at 11:30 a.m., the president announced.

# Bubblemasters raise funds for needy families at diving meet

Bubblemaster divers combined their Labor Day weekend competitive diving meet at Bull Shoals Lake, Mo., with an auction to raise funds for local needy families and a "giant" fish fry attended by members, their families and guests.

More than 125 divers and friends attended the fish fry and party, which climaxed a nine-hour period of auctioneering, conducted by Larry Earney. Club members and friends donated a large quantity of items for the lively bidding, including bowling balls, clocks, watermelons, antiques, imported bazaar souvenirs, skateboards, crystal, china, books and many unusual objects.

Close to \$550 was donated through the auction. Proceeds from the annual auction are used by the club to purchase meat, canned goods and gifts for holiday baskets to present to local families in need at Christmastime. Dee Adams, Bubblemasters president, explained.

"We very much appreciate all the items contributed to a project that brings joy to area families in the holiday season," Adams said.

Skin and scuba diving con-

tests were staged on separate days.

An event attracting more divers this year was the triathlon underwater compass and obstacle course won by Bill Horton.

Runnersup were Ed Duffin, second; Glen Gates, third; Dee Adams, fourth; and Tom Mueller, fifth.

In skin and scuba contests, Randy Viessman scored top points by attaining first place for the largest fish in skin diving and first place for most fish in scuba competition.

Bill Horton collected the first place trophy for largest fish in scuba and earned the dive's traveling trophy. He currently holds the Memorial Day traveling trophy.

Ed Duffin took first place for most fish in skin diving.

In women's contests, Chris Cannon was the first place winner for most fish in scuba, and Barb Gates won the top trophy for most fish in skin diving.

Other divers earning trophies were:

Scuba — most fish speared — Phil Lamm, second; Larry Earney, third; Tom Mueller, fourth and Paul Foster, fifth; largest — Walter Marzif, second and Kelly Ervin, third.

**FISHING DERBY WINNERS** at the Granite City scuba club's family campout and competitive dive at Bull Shoals Lake, Mo. The youngsters pole fish from the bank or dock for trophies. From left to right are Robin Keel (9-14 age group), first largest, Beth Gates (2-8 years) first largest, and Larry Earney (2-8 years) first-most. More than 125 divers and their families attended the event.

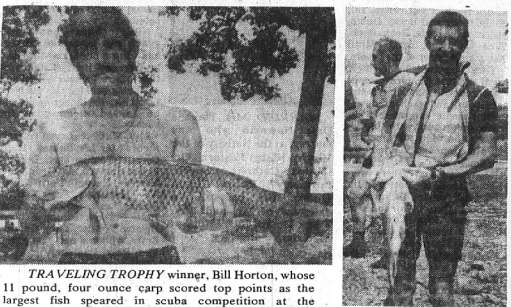

Skin — most fish speared — Rich Grizzard second; and Phil Lamm, third.

A fishing derby for youngsters in two age brackets

was among the weekend highlights. The children lined the bank or dock and received trophies for their ability with a fishing pole.

**NICE MESS OF FISH** is Randy Viessman's contribution to the Bubblemasters' fish fry held during the weekend diving meet. The catch also won Viessman the first place trophy for most fish speared in scuba diving and the admiration of his son, Paul. The diver also captured first largest in skin diving.

**TRAVELING TROPHY** winner, Bill Horton, whose 11 pound, four ounce carp scored top points as the largest fish speared in scuba competition at the Bubblemasters meet. He also won the underwater triathlon contest.

**LARGE FISH** speared in skin diving action by Ed Duffin, who nailed the nine pound, eight ounce carp at Bull Shoals Lake, Mo., and went on to win first most honors in skin diving competition.

## VA says it has no part in free cemetery offers

The Veterans Administration has no connection with any cemetery offering so-called free burial space to a veteran. This reminder has been issued because of advertisements and letters making offers of free space circulating in Illinois.

The messages usually state that there are 25 million veterans and only two million burial sites in National Cemeteries. At this time the VA is planning more sites and even new cemeteries in states where none are located.

A VA spokesman pointed out that the VA provides burial allowances of \$250 for any honorably discharged veteran, and an additional \$150 for a plot allowance, if the veteran is not buried in a national cemetery.

The VA does not have any control over private cemeteries which advertise free plots for a veteran. However, it advises the veteran to read all of the material carefully, for in some cases while the space may be free there are other requirements.

These range from an additional purchase for a member of the veteran's family to requirements for expensive vaults, as well as expense of opening and closing the grave site.

Mrs. Wilma Davidson, 41, of 1212 Olive St., was injured when her car and the station wagon of Catherine Reznack, 16, of 2541 E. 27th St., collided at 23rd Street and Madison Avenue at 10 p.m. Monday.

Miss Reznack was charged with failure to yield the right-of-way. Mrs. Davidson was taken by Granite City ambulance to St. Elizabeth Hospital where she was treated for injuries to her head and back and was released.

Miss Reznack suffered minor injuries, but did not seek immediate treatment.

### Call for all the ICC members to resign is inappropriate; Bakalis should avoid discredited 'confrontation' approach

State Comptroller Michael Bakalis, Democratic nominee for governor, deserves much credit for waging an active campaign against the Republican incumbent currently seeking re-election, Gov. James Thompson. Voters should be given a choice between two able and electable candidates, and this inability is being accomplished.

But we differ with Comptroller Bakalis' call for the entire Illinois Commerce Commission board to resign.

The demand is identical to one made by Missouri Governor Joseph Teasdale. Mr. Bakalis' reasoning may be that consumerism is such a powerful force in the late 1970s that the end justifies severe, perhaps destructive, means.

And, he may reason, it's mighty good politics. After all, Mr. Teasdale gained an upset victory over then Governor Christopher Bond and the Teasdale campaign had focused heavily on opposition to public utility regulatory procedures.

But the ICC hasn't been ignoring consumers and has been actively considering experimental rates, fuel adjustment charges, tax credits and other "trendy" issues. And Mr. Bakalis' idea of a lengthy rate increase moratorium could harm consumers by rendering impossible the provision of adequate utility services and capacity.

Gov. Teasdale also sought commissioners' mass ouster or resignation, and he an Mr. Bakalis are both Democrats. But the strategy isn't partisan, since Republican Gov. Bond once waged similar warfare against Missouri's commissioners on the Bi-State Development Agency, seeking their instantaneous departure.

What is being lost sight of is that the overlapping, staggered terms on such governmental policy boards are not an accident but an intended restraint—the "checks and balances" on power that the founding fathers thought were needed.

While a new administration, like a new broom, "sweeps clean," it should not turn government entirely upside down, destroying continuity and wasting skills developed by experience. An analogy might be successful professional sports teams that blend youth and age; they seldom would win a championship with an all-rookie roster.

Perhaps the Illinois nominee may have a right to borrow the tactics of the Missouri governor. After all, "walking Joe" Teasdale gained the executive mansion in Jefferson City long after the footsore campaign in which "walking Dan" Walker earned the key to the governor's domicile in Springfield.

But Mr. Bakalis may be unfair in declaring a "fight to the death" against Illinois utilities. Their performance may not be perfect, but neither is he, nor his potential regulatory rates, fuel adjustment charges, tax credits and other "trendy" issues. And Mr. Bakalis' idea of a lengthy rate increase moratorium could harm consumers by rendering impossible the provision of adequate utility services and capacity.

The road to success is not always the same route as that followed by a predecessor.

Our vivid memories of Gov. Walker's policy of constant confrontation make us a bit wary of any tendencies toward extremism by office-seekers or officials: You don't want to walk that "three-ring circus" road, do you, Mike?

### No reason for big treatment penalty against Granite City

To get a mule's attention, as the saying goes, first hit him with a 2x4-inch board. Seeking a \$10,000-a-day penalty retroactive to last November, the Illinois Environmental Protection Agency certainly has gotten the attention of Granite City and its citizens. But the tactic seems excessive, since the city hasn't been mulish, and since it obviously could never afford such a stiff fine.

With a lot of state and federal help, the city has taken a progressive stand, superior to that of many areas of the nation. It has built a big and complex treatment plant for not only primary but secondary treatment, leading to a rather pure outflow into the Mississippi River compared to what flows toward here from the north.

Rather than being stubborn or mulish about the whole subject, Granite City has constructed a plant with great capacity, and has actively and greatly enhanced the not only the immediate populated area but a considerable portion of the Madison-St. Clair counties region.

Granite City has cooperated in plans to provide treatment services for the Tri-City Regional Port District, greatly enhancing the port area's attractiveness to a variety of new and expanded economic activity. And the city has been willing to see the treatment plant linked with the new

sanitary sewage lines being installed in wide areas of Chouteau, Nameoki and Venice townships.

Just as the EPA has been helpful to Granite City, the municipality has consistently sought to contribute constructively toward the attainment of EPA goals in Illinois.

There admittedly are problems. Some effluent discharge has had excessive amounts — higher than ideal — of biochemical oxygen demands, iron values and suspended solids.

The Illinois EPA has been kept posted on talks between the city, the designer and builder regarding equipment adequacy, plant design suitability and construction-institution effectiveness in meeting specifications.

Without attempting to pre-empt the outcome of such negotiations, the city has made the EPA fully aware that Granite City has accepted the new secondary treatment facilities, that final payments have been withheld, and that performance bonds remain in effect.

If any expenditures are made, they should go to state courts, not to the correction of any deficiencies that may exist. And the EPA ought to put down its 2x4.

### City emphasis needed on curbing dirt

To the Editor:

What a shame and disgrace to Granite City, when you listen to the news on TV and they announce that our city is the dirtiest in the state.

This I don't like, when I know something could be done. I always thought a mayor was to see that all city jobs were done, and done properly.

All I ever see of is his cutting ribbons in the press. The winter season is just about on us and our streets are about like they were last winter. May God help us taxpayers if Granite City still ever runs out of Street Supt.

Street Supt. Portell sends his big grader out for the big hollows and then here come some dirty cinders for the holes. The next day we have the same holes and dirt and dust.

All our alleys have them — no oil to hold down the dust. Then I pick up a mess and see the street department planting trees downtown, putting up street signs, etc., which should be done in the cooler months.

They're not busy on these streets, and my blood boils. All this dust and dirt causes a lot of our pollution.

When the old pro, Mr. Warfield, was in Granite City because there were no, clinkers at stop signs.

To preserve them. This has never been done on our road. The street next to our house has not been oiled or rocked for eight years.

As a taxpayer, I'm getting nothing but dirt and dust. I called him again last year; he said they had run out of oil. At the time he told me they were oiling other streets in the city.

This Manpower program is also a big mess. Weeds as high as your waist. Two bags of trash were left next to the street from Manpower. They sat there for a month.

No department picked them up. Finally, a neighbor threw them in his truck to be taken to the dump.

The trash they're picking up should never be there in the first place. A few arrests of these people throwing beer bottles, hamburger sacks, papers and litter out car windows would soon stop it.

Someone told me last winter that Mr. Portell was a friend of hers and had sent her street crew out to clean her driveway. I thought, yes, that very week people couldn't hardly get to work in Granite City because there were no clinkers at stop signs.

All taverns and businesses should be made to blacktop their parking lots to hold down dirt and dust. Probably some of you think — if you don't like it here, move. I love Granite City. This is my home.

But I'm ashamed of the litter, trash and especially our streets. MYRTLE AVE. RESIDENT

### Highway 162 resurfacing

A contract for resurfacing of Highway 162 between Nameoki Road and Route 111 has been awarded by the Illinois Department of Transportation to MacLair Asphalt Co. of Collinsville.

The contract was awarded on a bid of \$420,409. Highway engineers at the district DOT office at Fairview Heights said no time has yet been set for beginning work, but that it should be soon.

Preconstruction conferences are to be scheduled, followed by the resurfacing project.

### GC man given service award

Daniel A. Conway, a first lieutenant in the U.S. Marine Corps, has received the Joint Services Commendation Medal for his work as officer-in-charge of the Marine Corps Liaison Office, Defense Discharge Review Program for seven months in 1977.

The award was presented by Major General Killen, commanding general of the Third Marine Division in Okinawa.

The U.S. Army recommended him for the joint service award, which was approved by the secretary of defense.

LT. Conway, the son of Mr. and Mrs. J. C. Conway, 2551 State St., is a 1970 graduate of Granite City High School, received his bachelor's degree from the University of Mississippi and left ROTC there for the Marine Corps.

He has served in Okinawa four months and will be transferred to Camp Pendleton, Calif., four years prior to leaving for Okinawa.

Conway, his wife, Deborah, and their three daughters reside in Oceanside, Calif.

### Fund raiser for McPike

State Representative Jim McPike (Dem. Alton), announced today that a cocktail luncheon will be held on his behalf on Sept. 20. It will be held at the Lewis and Clark Restaurant in East Alton from 7:30 until 9:30. Tickets at \$12.50 each may be purchased at the district office.

All county and legislative Democratic candidates will be in attendance. In addition, Congressman, Democratic candidate for state treasurer, will be present.

### Nameoki adopts newsletter

Nameoki Township residents this week are receiving the first issue of the Nameoki Township News, a newsletter being published by the township to familiarize residents with various activities and programs offered by the township government.

The first newsletter noted the township's efforts to keep the residents of Nameoki Township informed. The board of trustees is paying the costs of preparing and distributing the letter and delivering it to every home in the township. Two delivery boys are to be hired in each of the township's 12 precincts who will receive \$7 each to deliver the newsletters.

The newsletter lists the names of all township officials and Democratic precinct committeemen, the names and phone numbers for the highway commissioner, health officer, dog catcher, tax assessor and collector and others.

It also gives brief descriptions of the environmental cleanup program, including a schedule of limb and trash pickups; the services offered by the senior citizens' van; details of the mosquito-control program, and an explanation of the activities of the dog catchers.

The major problems which the township government attempts to address are outlined, and residents are requested to aid the township by helping solve the problems, particularly on their own property.

Major problems include high weeds, trash, faulty septic tanks, and dogs running loose, dogs violating the leash laws and derelict cars.

It also notes that the township will begin taking applications for the Community Development-funded housing rehabilitation program beginning Sept. 18 for projects to bring homes into full compliance with county minimum housing standards.

In other business, Supervisor Harold Davis told the board the township has completed the acquisition of property in State Park Place for a park, but does not have the funds to provide recreational equipment or improvements.

"We are just going to keep it clean and mowed and hope the Community Development citizens' advisory committee

JO MEYER PARK is dedicated Tuesday morning with more than 40 civic leaders and city officials attending the ceremony at Niedringhaus Avenue and Cleveland Boulevard. Work on the park was started in 1976 after Mr. and Mrs. E. A. Karandjeff donated the triangle of land for park use. ### United Way Sunday Sept. 17

Each congregation, Donovan said, "Your prayers along with those of your spiritual leaders are earnestly sought. This is, we believe, an absolutely essential part of our community's United Way effort. . . . It is people such as you and I, members of many congregations who provide a large part of the foundation for our nationwide commitment to private philanthropy. The diverse and innovative ways we join together in so many in-

stances for the common good is truly a modern day miracle." Joining Donovan's call for observance of this occasion, was His Excellency, Bishop Joseph A. McNicholas, of Springfield in Illinois who wrote to local parishers, saying "Sunday, September 17 is United Way Sunday. . . . once again I appeal for your generous support of this all-out effort for the community over the years I have lovingly

supported the United Way and I know that many of you share my feelings. . . . May God bless you for your loyalty and your assistance.

"Everyone's help in funding the approved final budget allocations of the Tri-Cities Area United Way for 1978 is urgently needed and absolutely essential if we are to continue the many excellent programs and services provided to our community," Donovan concluded.

### State road work in region to top that of Chicago area

Road construction in the Madison and St. Clair counties region in the next year will be seven times greater, per capita, than in the Chicago area, according to State Representative Everett Steele (R-Glen Carbon).

"More than \$120 million has been targeted for road repairs and improvements in our area during the next 12 months," Representative Steele explained. "That figure compares with the approximately \$18 million that has been budgeted for the Chicago area."

Steele reported that the four-county area of Madison, St. Clair, Bond and Monroe will receive approximately \$177 million in dollars for every one of the area's 683,638 residents.

That compares with the \$29 that will be spent for each Chicago area resident, \$69 that

will be spent for each Peoria resident and \$93 that will be spent for every Springfield resident.

"I believe it is very clear that the General Assembly and the Illinois Department of Transportation have made a strong commitment towards improving the roads in our part of the state," Steele said.

"Besides being good news to all area drivers, that commitment is especially pleasing in the wake of two of the worst winters in the state's history," he added. "Many of our roads were badly cracked, potted and scarred because of last year's severe temperatures."

"I believe the \$120 million that has been targeted towards our roads is just the prescription we need to repair our highways and insure that our roads remain among the safest in the state," Steele concluded.

### Two taverns burglarized

Two Granite City taverns were burglarized early Wednesday and witnesses saw three youths flee from one of the burglaries.

Between 3 a.m. and 4:15 a.m. Wednesday, Craycraft Tavern, 2022 Missouri Ave., was entered and about \$800 worth of liquor, cash and items were taken.

Police on routine patrol discovered the front door had been kicked open and four coin-operated machines inside had been broken into.

Known missing are the change from the machines, several bottles of liquor, a carton of disposable cigarette lighters, two boxes of chewing gum and several cases of beer.

At 6:10 a.m. Wednesday, police were informed two young men were seen climbing out the front window of Hoppe's Tavern on Edwardsville Road and they got into an old black Mercury Comet with another young man

who drove them south on Edwardsville Road at a high rate of speed. The club of its Illinois license plates, witnesses said.

About \$29 from the cash register, \$9 from a box, some other change and some cigarettes were stolen. The cigarette vending machine was broken open.

Entry was believed gained by climbing the front window and breaking through.

**POT-LUCK TOMORROW**  
The Downtown Neighborhood Restoration Society will have a pot-luck dinner Friday at 6:30 p.m. at the YMCA. Anyone interested in the club or its activities is welcome. Activities for the coming year will be discussed.

**RUSSIA'S WAR**  
On July 10, 1913, Russia declared war on Bulgaria.

### Madison to conduct police examination

The Board of Police Commissioners will conduct examinations to fill eligibility list for probationary patrolmen in the city of Madison, at 7 p.m. on Monday, Oct. 2, at the city hall in Madison.

Applications may be obtained from the desk clerk at the police station.

Qualifications are: applicants must be between the ages of 21 and 35 years; residency requirement will be subject to the action of the City Council; possess valid Illinois driver's license; pass written and physical examination; background investigation and oral interviews.

Applications must be received no later than Wednesday, Sept. 27, to the Madison Police Department.

**THE VIBRATIONS**, a musical gospel group from Fairview Heights directed by Violet Hanks, who will be in concert Sunday, Sept. 17, at St. John United Church of Christ, 2901 Nameoki Road. The program, which is open to the public, will begin at 7:30 p.m. and will feature both gospel and patriotic selections.

### Beth Rea Hoff shower honoree

Miss Beth Rea Hoff was guest of honor at a bridal shower given during the weekend by Mrs. Judy Padgett and her mother, Mrs. Velma Carrher, at the Padgett residence in Edwardsville.

After the honoree opened her gifts a dessert luncheon was served and a red silk rosebud was given to each guest. Those present were grandmothers of Miss Hoff, Mrs. Elizabeth Hoff and Mrs. Reatha Bowler, her aunts, Miss Margaret Hairder and Mrs. Dorothy Hoff and her godmother, Mrs. Agnes Bowler. Also attending were Miss Peggy Hoff, Miss Renee Schmidt, Mrs. Thelma Schmidt, Velma McIlvory, Cheryl Acker, Ann, Elaine and Martha Padgett and Mrs. Harriet Hoff, mother of the bride-elect. Miss Hoff will be married to Terry Rasmussen, in October.

### PTA hears administrator

New officers of Parkview Parent-Teacher-Association and faculty members were introduced at the units' first meeting of the 1978-79 school year, last week.

A special guest was Frank Kraus, assistant superintendent of Granite City School District, who spoke on "School Financing."

Kraus gave details "concerning tax monies received by the district, current enrollment and budgeting procedures for the present year."

Tom Thebeau PTA president, was in charge and introduced the officer corps, including:

Sharon Taylor, vice president; Linda Tankesley, secretary; and Judy Reidelberger, treasurer.

Mrs. Agnes P. Fryntko, Parkview principal, introduced the staff members and reviewed new programs for this year.

The principal said emphasis will be placed on "metrics." The Independent Reading Program and Spelling Bees will be continued, she added.

The PTA budget was presented, and adopted, and plans were announced for an all-school candy sale, scheduled to start Friday.

### September meeting of Garden Club

The Garden Study Club attended a luncheon in the garden of Mrs. Norma Crenshaw, last week, surrounded by many summer flowers and exotic potted plants.

Roll call was taken as each member told of a garden experience that impressed her for the summer.

Mrs. Judy Donley reviewed plans of the Fair Oaks Junior Garden Club to host a picnic at Wilson Park, and Mrs. C. E. Eads reminded the group to deposit bottles and papers in the recycling center on Adams Street.

Those attending included Mesdames Lucille Broyles, Marie Eads, Dan Seymour, Vera Friedel, Genevieve McComis, Dorothy Miller, Clara Winter and a guest, Peggy Allen.

Mrs. Broyles invited the group to meet in her clubhouse on the river at Grafton for the October session.

### AAUW board members meet

A special meeting of the local chapter of the American Association of University Women for board members and other interested persons were entertained last week in the home of Mrs. Ruby Foster in Edwardsville.

Mrs. Donnie Calvin of Wood River, who is the AAUW state president, was present and reminded the group that the organization is 90 years old and has 9,000 members in Illinois, with approximately 190,000 in all.

Mrs. Calvin provided the chapter with a new idea by having each one participate in a get acquainted and other communication activity. She then introduced Mrs. Lee Ann Flota, a representative of the Alton branch of AAUW.

Mrs. Flota said the Education Foundation Program provided fellowships for graduate study for women and added there are many ways to raise money for EFP. She later invited the group to attend the September meeting of Alton branch and

noted the guest speaker will be Gladys Lewis, a candidate for Illinois state senator.

Mrs. Elizabeth Edwards, Granite City president, held a brief board meeting. She announced plans for the annual AAUW picnic to take place today at Wilson Park, for members and their families.

Reports were given by Mrs. June Barton, program chairman, and Mrs. Edmund Firner, publicity chairman.

Mrs. Foster served refreshments to the board, guests, and two prospective members, Mrs. June Branding and Mrs. Jane Kozilek.

### Xi Theta Omega opens season

Members of Xi Theta Omega Chapter of Beta Sigma Sorority were entertained by the chapter president, Mrs. Donna Price, in her home, 2581 Spalding Ave., in observance of "beginning day" last week.

A patio pot luck dinner and fish fry was served by the hostesses preceding the business session.

Mrs. Price presided at the meeting and appointed hostesses for each monthly meeting and also outlined the

programs for the 1978-79 year. Past President Pat Howard was presented with a gift in appreciation of her leadership during the past year.

The first social will be a pizza party on Oct. 12 at Cassidy's Restaurant in St. Louis. It was announced, and the next meeting is scheduled for Sept. 25.

Those attending were Donna Sprankle, Barbara Dickerson, Ellen Cain, Mary Davis, Linda Pickett, Ellen Wilson.

### Beauticians attend instruction classes

Debbie Schnefke and Karen Oxbun attended a four hour class in St. Louis, last week for instruction on the application of sculpture nails.

The artificial nails are applied to the nail and is designed to grow with the natural nail and is not damaging, they added.

Miss Schnefke and Miss Oxbun are employed at Capri Beauty Academy, formerly Joseph's School of Beauty Culture, located at 10th and State streets. They announced application of sculpture nails are done by appointment only at Capri which is the only shop in the area engaged in the enterprise.

The two local beauticians also attended a convention in Champaign earlier this month.

### Wedding Plans

Engagement and wedding information questionnaires are available at the Press-Record office, 1815 Delmar Ave., and will be mailed upon request. Wedding forms are to be completed and returned to the society department two weeks prior to the wedding.

Bride's photo should accompany information but the story will be held for photo if available within a reasonable time after the wedding. Note-black and white photos are preferred for publication.

## Chapter 650 fetes committee

Granite Chapter 650, Order of the Eastern Star, honored the kitchen committee during a weekend meeting held at the Masonic Temple, conducted by Worthy Matron Dorothy Watkins and Worthy Patron Bill Watkins.

The officers read a special poem and presented gifts to the honorees that included Mary Ann DeHart, Peggy Gibbons, Louise Orr, Bonnie and Jerry Fisher and Donna Kagy.

Also feted during the session was Mrs. Sadie Jones, a 56-year

member of the chapter, who was celebrating her birthday. Mrs. Mary Bihrey was also accorded birthday wishes, and appreciation was extended to Hilda Griffith for her assistance at various functions by providing piano music.

Grand lecturers, grand chapter committee members, past matrons and past patrons were welcomed and Mrs. Watkins announced pro tem officers for the evening were Hazel Wood as conductress, Betty McClintock as marshal,

Frances Williams, Esther and Dora Youngs warder.

It was announced Patricia Brokaw was married on Sept. 9, to David MacDermid. She serves in the office of Esther. Past patrons and past matrons will be honored on Sept. 22 and will serve as officers at the 8 p.m. meeting, it was noted.

A calendar meeting is set for 7:30 p.m. on Sept. 27, in the home of Mr. and Mrs. John Boyer. All officers are to attend as well as volunteer members, Mrs. Watkins reported.

Special memorial services were held for the late Jeanette

Ballman, a chapter member. Glass swans filled with floral arrangements decorated the dining tables and each member received a small swan as a favor. Refreshment committee members for the evening were Mary Ann DeHart, Bonnie and Jerry Fisher, Dorothy Watkins, Donna Kagy, Louise Orr, Peggy Gibbons, Betty Ebrecht and Rachel Larsen.

## Tree fertilizing will help growth

Fall fertilizing of trees will result in more growth next year than spring fertilizing. This is the general conclusion of numerous studies relating to time of application and method. Oaks and Silver Maples are an exception.

These studies indicate a time-interval is important to allow trees to assimilate the fertilizer before new growth occurs. Fall fertilizing of turf permits trees to acquire the fertilizer and assimilate it before spring. Oaks and maples make a second spurt of growth in early summer which reflects the spring fertilizing.

When trees aren't a regular part of a lawn fertilizing program, make a special fall application of tree and shrub fertilizer. Double the rate and be sure to cover an area twice the spread of the limbs.

If your tree is growing in a turf area that is fertilized regularly, it probably is getting enough. In exceptional cases, make a double application of lawn fertilizer, beneath your trees. Extend the double application at least to the drip-line of the limbs.

**LAWN WEED CONTROL**  
Early fall is an ideal time to settle a grudge with dandelions and several other broadleaf weeds in your lawn.

One application of 2,4-D in late September will control both germinating seedlings and prospering dandelions to produce a weed-free turf. Fall fertilizer and cool weather will stimulate surviving bluegrass to quickly spread into these bare areas and prevent new weeds from getting started.

Clover and henbit are easily controlled by adding silvex to your spray mixture, or buying a mixture of the two. One application should give you a clean sweep.

If you find 2,4-D or the combination a problem because of wind drift to nearby flowers and vegetables, try a granular weed killer or a combination fertilizer and weed killer. Both the granular and the amine (low volatile) are available at garden stores and nurseries.

### HOLES IN PINE TREES

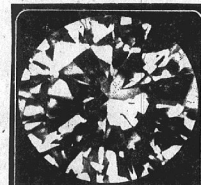

Many large pine trees have occasional rows of large holes in the bark that look like a row of bullet holes.

Prof. Miller, Extension entomologist at Ohio State University verified the suspicion of many experts that yellowbellied sapsuckers were the culprit. The birds apparently peck the holes and feed on the sap that oozes from the injuries.

There is no easy way to discourage these sapsuckers. Healthy trees seem to survive the injury, gradually heal up, and continue to make normal growth.

# North fails to 'classy' DeSmet, 3-0

By PETE HAYES  
Press-Record Sports Editor  
GRANITE CITY — Bob Kehoe stopped and scratched his head for a moment. He was trying to figure out what had gone wrong. Then he spoke. He knew all along what had gone wrong.

"We simply aren't in their class," said Kehoe Tuesday after his Granite City North soccer team had dropped a 3-0 decision to St. Louis DeSmet.

"I'm not taking anything away from my guys when I say that, either."

"They (DeSmet) have over two million people from which to draw their team. We have a little less than half of Granite City."

So that was that. There was no post-game pep talk or discussion. Just put away the balls and the benches, go in and take a shower and go home, to come back the next day to practice for tomorrow's

(Friday) game at home against Lebanon.

HOWEVER, in spite of what Kehoe had said about his team not being in DeSmet's class, the Steelers from North didn't fare too badly against the team many area soccer observers feel is the top team in the St. Louis area.

North found itself trailing 1-0 after the 18:06 mark of the first half (the teams played two 40-minute halves), 2-0 at the 11:02 mark and held DeSmet's Spartans to a single goal on a free kick at the 33:57 mark of the second half.

The Steelers seemed to be in limbo — that is, never really out of the game, but at the same time, looking confused at times and having the look of a team not really with its heads in the action. Kehoe offered an explanation.

"Their movement and communication are outstanding," he said. "They're the type of team which is constantly on the move ... no one ever stands still."

"THAT TYPE of movement makes the opponent — in this case, us — react to the motion instead of putting our own game into attack."

Another question asked of Kehoe was that of depth. Did the absence of Bob Batey, North's all-area midfielder, effect the team's performance?

"No, I don't think so," said Kehoe. "Kenny (Myracle) did a good job replacing him. I don't think things would have been much different if Bobby had been in there."

BATEY was lifted from last Saturday's game with Belleville Albright with a pulled hamstring in his right leg. According to Kehoe, Batey has been working out with weights and should see limited action against Lebanon Friday.

DeSmet coach Greg Vitello praised North's fundamental abilities and sportsmanship.

"North will be one of the tougher teams we play this season," he said. "Anytime we play a team from Granite City, we know we'll be in for a tough game."

"It's obvious to us that they're well-coached and a very disciplined team."

A good part of the second half's play was centered in the DeSmet end of the field. Any reason for that, Coach Vitello?

"North seemed to know what we were doing and were trying to attack it a little differently than they had in the first half," said Vitello.

"But with our movement they couldn't seem to get untracked."

AT TIMES in the second half, North seemed to just about start things clicking, only to see something happen to cause a turnover in possession.

"What happened in those instances was that the ball went from a group of three or four good players to someone who isn't quite as far along in playing abilities," said Kehoe. "We just don't have the overall depth that a team like DeSmet has."

But Kehoe again emphasized that he was not downgrading his own team's performance. "I thought we did some things fairly well today," he said. "I have no complaints. There were several boys out there who did as much as I could have asked of them."

"We were beaten by an excellent team today, but we were never out of the game. I feel we gave them about as good a game as they're going to get for the most part this season."

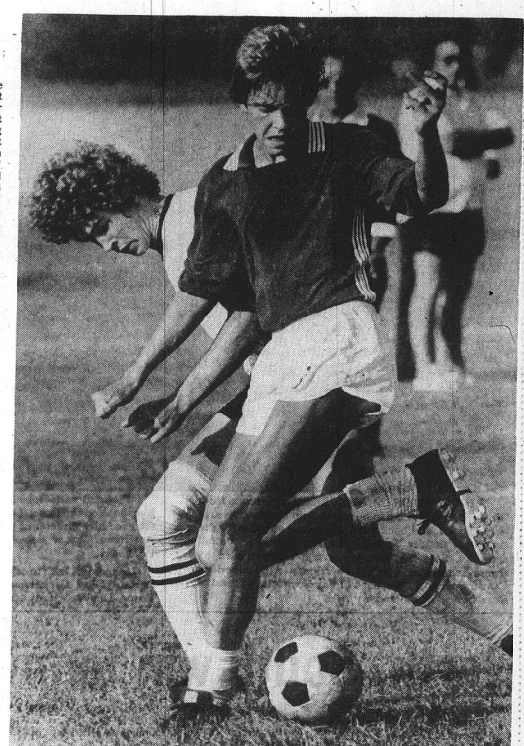

With the loss, North's record falls to 2-2 on the young season, while the victory raised DeSmet's mark to 2-1, having lost to Vianney in the season opener last week.

## SIU-E set for Hoosier tourney

EDWARDSVILLE — Coach Bob Guelker and his Southern Illinois University at Edwardsville soccer team didn't waste time looking back with regrets on their one victory and one tie game over the past weekend in the Cougars' invasion of Texas.

Instead, after a day off (Monday, Sept. 11) to tend to their bruises following a 4-1 victory over Southern

Methodist University (Friday night) at Dallas and a 2-2 tie with North Texas State University, Sunday at Denton, Guelker and his SIUE kickers dug in Tuesday preparing themselves for their two game slate facing them at the Indiana University Big Red Classic this weekend, Saturday and Sunday.

The four teams in the Big Red

Classic — Hartwick College, Penn State U., Southern Illinois U. and the host Indiana U. Hoosiers — figure to be in the Top Ten NCAA Division I soccer schools in the nation.

The Cougars, who have never beaten the Wicks in three tries over the past eight years, will battle Hartwick College Saturday afternoon, starting at 1:30 p.m., on the narrow

Memorial Stadium field at Bloomington, Ind. Incidentally, the three losses to Hartwick by SIUE were sustained in exhibition contests and, consequently, do not count against the Cougars or for Hartwick.

The Cougars' game Sunday (again at 1:30 p.m.) against Penn State U. will be the first meeting of the two schools.

Indiana time is the same as

St. Louis area time. Student tickets for the tournament are \$1; adult tickets are \$2.

The Cougars' two games in Texas were extremely close. In the first game, North Texas State U. committed 42 fouls against the Cougars' 18. In that game, the two overtime periods used in an attempt to break a 2-2 tie in regulation time saw both teams playing a total of nine minutes each. Southern Methodist committed 25 fouls against SIUE, while the Cougars were missing 15 times.

## Area grid teams play tomorrow

GRANITE CITY — All three Quad Cities area high school football teams will be looking for their first victories of the season tomorrow (Friday) night, with two playing at home and the other staying on the road.

Granite City North will play host to Collinsville's football

Kahoka in a set to start at 7:30 p.m. at Memorial Field on the GCHS South campus.

North is still stinging from a 16-0 upset at the hands of Cahokia last week in the season opener for both teams. It will be Collinsville's first game, having had its opening game last week postponed because of the

teacher's strike in Collinsville's school district.

Granite City North will try to recover from last week's 64-0 thrashing on the road at the Quincey Notre Dame 16-4 last week. The Trojans will host Clayton, Mo. in a 7:30 p.m. contest at Madison High School.

Mount Vernon 20-14 in overtime last week.

Madison will also be searching for victory number one on the season after failing to defeat Quincey Notre Dame 16-4 last week. The Trojans will host Clayton, Mo. in a 7:30 p.m. contest at Madison High School.

## Cougar soccer game to be televised locally

EDWARDSVILLE — The soccer game between Southern Illinois University at Edwardsville and Hartwick College in Indiana University's Big Red Soccer Classic, Saturday at Bloomington, Ind., will be videotaped back to St. Louis and re-played Saturday at 9 p.m. over television station KDNL, Channel 39. The game is scheduled at 1:30 p.m.

SIUE's coach, Bob Guelker, will do a pre-game show and give a post-game comment. Pat McBride, former St. Louis Star pro-player and All-American at

St. Louis University as well as assistant coach at SIUE seven years ago, will do color commentary on the game.

Leo Hulcer, the voice of SIUE soccer over the Cougars' radio station SWIE-FM (88.7) will do the play-by-play. McBride is presently coach of the Meramec Community College soccer team.

Other teams in the Big Red Soccer Classic are the host Indiana University Hoosiers and Penn State University. They will meet in Saturday's twinbill starting around 3:30

Mark Goldschmidt, a graduate of Granite City South last spring, is a starter for Indiana. However, the Indiana-Penn State game will not be televised.

Sunday the Cougars will meet Penn State at 1:30 p.m. and Indiana will tangle with Hartwick College.

The Wicks of Hartwick College won the NCAA Division I championship at San Francisco last December. SIUE finished third after eliminating Indiana, 2-1, in four overtimes in the Midwest regional tournament held at Cougar Field.

### South 10th, North 11th ...

## Lincoln runners take Triad meet

TROY — Using a strong overall performance East St. Louis Lincoln proved why it is considered the top cross country school in the area here yesterday with an easy victory in the Triad High School Cross Country Invitational.

Granite City North finished 10th and South was right behind in 11th place.

In order of finish (with points in parentheses), the teams were: Lincoln (79), Belleville

East (99), East St. Louis Senior (112), Centralia (147), O'Fallon (148), Mascoutah (159), Belleville West (167), Edwardsville (238), Triad (247), NORTH (273), SOUTH (329), Breese Mater Dei (359), Marrison (372), Freeburg (386), Weslin (416), Collinsville (419), Highland Senior (444), Civic Memorial-Bethalto (470), Cahokia (485), Wood River (533), Roxana (595), Sparta (638), and Jerseyville (660). Venice ran but did not score.

Dave Houston of South edged North's Aaron Hickam for 15th place at the finish line with a time of 14:42. Hickam's time was 14:43.

For Salem, low scorers were Agular's 39, Day 41, Martin 42 and Eller 43.

Yesterday at home against East St. Louis, South came up with several outstanding scores and easily defeated the Flyers, 153-176.

Herman "Dutch" Schroeder carded a one-under-par 35 over the back nine holes at Arlington for South. Greg Mulach scored a one-over par 37, and Joe King fired a 38 for the Warriors.

Freshman sensation Larry Holder scored a 10 to round off the scoring for South.

The next meet for both North and South will be this Saturday, Sept. 16 at Arlington in the Triad Invitational Scramble Tournament beginning around 11:30 a.m.

placed 61st with a time of 15:39.

The next finisher South was Jeff Taylor who placed 63rd in a time of 16:04. Jim Edwards of North was next, Granite City finisher. He came in 72nd in a time of 15:57.

Scott Ahlers of South finished 75th in 16:41. Bob Dubnick of South placed 82nd, followed by teammate Curt Collins in 94th place.

Jim Bunch of North was 90th, followed by South's Drew Geiser in 105th position. Alan Huff of North was 109th followed by Mike Gardner of South in 129th place. Mike Robinson of North placed 148th.

The next meet for North and South will be this Saturday, Sept. 16 in the Belleville West Invitational, beginning at 9:30 a.m., not 11 a.m. as had been previously announced.

THE AGONY OF DEFEAT. South's Bob Dubnick (62) grimaces with pain as he nears the finish line, having just lost a battle with a Triad runner (foreground) for the next-highest notch in yesterday's running of the Triad Cross Country Invitational.

## South golfers beat Flyers

Granite City North's golfers suffered their second dual meet defeat of the season Tuesday at Salem, 165-117. North's record is 5-2.

Russ Chappell was the low scorer for the Steelers with a 41. Placing second for North — and having her score count for the first time in a varsity meet — was North's only female golfer, Kathy Gilley with a 43. Scott Robertson also scored a 43.

Four Steelers carded scores of 41: Miller, Ends, Fyalka and Andrews. However, only one score was counted.

For Salem, low scorers were Agular's 39, Day 41, Martin 42 and Eller 43.

Yesterday at home against East St. Louis, South came up with several outstanding scores and easily defeated the Flyers, 153-176.

Herman "Dutch" Schroeder carded a one-under-par 35 over the back nine holes at Arlington for South. Greg Mulach scored a one-over par 37, and Joe King fired a 38 for the Warriors.

Freshman sensation Larry Holder scored a 10 to round off the scoring for South.

The next meet for both North and South will be this Saturday, Sept. 16 at Arlington in the Triad Invitational Scramble Tournament beginning around 11:30 a.m.

Hoffman, Wallace agrees. "Missouri's defense looked great last week against Notre Dame," he said. "But its offense wasn't impressive at all."

"With Alabama's explosive offense and tough defense, I think Missouri's could be in for a long afternoon," added Wallace. "The St. Louis football Cardinals are a mystery to both Wallace and Hoffman. And both pick them to lose their third game in a row Sunday at home against Washington's Redskins. "I hate Washington with a passion," said Wallace. "But I don't think the Big Red will win. With these two teams, it's usually a loss-up, but with Hart calling his own game now, I don't think they can do it."

Hoffman concurs, stating that the Cardinals haven't shown him anything. "They haven't got any running game at all," he said. "That sort of puts your passing game in a bad spot. And you've got to score some points to beat a team like Washington."

Belleville Area College. He and his wife Maureen have a son, Eric.

Wallace is a 1961 graduate of Granite City High School and has been a fireman for 10 years.

He is presently stationed at the West Granite Station. While a student in high school, he played quarterback for coach Andy Sullivan and played third base and outfield for Fedora's baseball Warriors. He and his wife Betty reside in Granite City. Both guest in Granite City High School's sports scene as much as possible.

The only difference the two predictors came up with was the South-O'Fallon game ... much to the dismay of Wallace, who said the "Unfortunately, I'll have to pick O'Fallon."

Regarding the North game, both said they thought the Steelers were just a bit

The run begins at 9 a.m., Saturday, Sept. 16. Rose's run will be sponsored by several businesses, who will contribute to the American Cancer Society, in the name of Pay Bosworth, a friend of Rose's who died of cancer.

## North, South win tennis meets

GRANITE CITY — Granite City North and South used overpowering performances up and down their lineups Tuesday and each won its first girls' tennis meet of the season.

North traveled to Waterloo and defeated the Lady Bulldogs 7-0, while South was staying at home and doing the same to

Cahokia, blanking the Lady Comanches 7-0.

For North, Vicki Cottrell defeated Waterloo's Ann Nobbe 6-2, 6-4 in the number one singles match. Lisa McKee beat Nancy Luhr 6-1, 1-6, 6-3, and Laura Chappell defeated Terri Frank 6-4, 7-5 for the Steelerettes.

### Hockey meeting to be tonight

The Granite City Amateur Hockey Association will hold an open board meeting tonight, Sept. 14 at 7:30 p.m.

The meeting will be at the Nameoki Recreation Center. Board chairman Ron Bridick

is inviting all parents with boys between the ages of 5 and 19 years old to join one of the association's ice hockey teams and to attend tonight's meeting if interested.

In the number four singles match, North's Diane Kwiatkowski defeated Shawn West 6-4, 6-1.

In doubles action, the North team of Shelly Pohlmann and Beth Goff beat Ellen Res and Karen Gentsch 6-3, 6-3. Liz Clay and Laura Conreux beat Chris Selmsieker and Mary Hartman by scores of 7-5 and 6-4.

In the number three doubles match, Lori Eyalika and Kellie Blockberger defeated Waterloo's Martha Hartman and Sandy Schutt 6-2, 3-6 and 6-1.

For South against Cahokia, Christy Bauer easily handled Carla Hawkins 6-1, 6-3 in the

number one singles match. In number two singles, Laura Gabriel of South beat Mary Bauza 6-1, 6-2.

Susan Bell of South beat Patti Scott 6-2, 6-3 and Wendy Kelly of South defeated Margie Kaplan 6-0, 6-1 in the number four singles match.

In doubles, Susan Squires and Gabriel team up to defeat Cahokia duo of Colleen Lynch and Val Montgomery 6-1, 6-1. Sherrie DePew and Bauer easily handled Kathy Crouch and Janis Scott of Cahokia 6-0, 6-0 and the South team of Agatha Grabowski and Joan Boker defeated Shirley Calvert and Pam Oakly 6-1, 6-0.

## Doneff to start for ISU

**NORMAL-BLOOMINGTON, ILL.** — Illinois State will be trying to put its best foot forward on the new AstroTurf carpet at Hancock Stadium Saturday night (Sept. 16).

Among the starters for ISU will be Granite City North graduate Mike Doneff. He will start at fullback. After one game, the junior runner has rushed the ball five times for 12 yards, an average of 2.4 yards per carry.

ISU will attempt to rebound from an opening 27-17 loss at Western Michigan in its first home game against another Western team; this one from Kentucky.

Western Kentucky also lost its opener, 42-15 last Saturday against the University of Tennessee-Chattanooga. Western Kentucky is a traditional football power in the Ohio Valley Conference. The Hilltoppers were runnerup in

MIKE DONEFF

the NCAA Division II playoff bowl series in both 1973 and 1975, but they fell on hard times last year with a 1-8 record. Illinois State met WKU during

the 1975 season at Bowling Green, Ky., and lost 24-14.

"Western Kentucky has had a rich football tradition," ISU coach Charlie Cowdrey points out. "Jimmy Feix has been the coach there for many years and has a great record. They lost a lot of people through graduation last year, and they are headed on the road back to being a contender in the Ohio Valley again."

Feix (pronounced FIKES), is in his eleventh season at Western Kentucky with a 71-31-5 record.

The Hilltoppers' major offensive threat is Jimmy Woods, a senior who gained 907 yards rushing last fall.

Although Illinois State had some trouble getting its running game going against a veteran Western Michigan line last week, the Redbird offense showed good potential. Quarterback Butch Monaghan

passed for 130 yards and two touchdowns. Tailback Bill Penn, a junior college transfer, was the top runner with 57 yards.

Split end Leon Abner caught a pair of passes for 52 yards, including a 10-yard touchdown reception. The other TC was scored by sophomore Mike Hale on a seven-yard flip. Freshman place kicker Isaac Camargo accounted for the other 350 points with two conversions and a 42-yard field goal.

Defensively, Coach Cowdrey was most impressed by nose guard Roger Cook, tackle Jim Lucas and cornerback Jeff George. Funtor Bill Manley, an Illinois Valley College Transfer, also played a key role with a 42.4 average on seven kicks.

It will be Hall of Fame and Letterman's Night at ISU, with 16 new members of the ISU Athletic Hall of Fame being inducted during halftime ceremonies.

## SIUC to host volleyball match

**CARBONDALE** — Southern Illinois University-Carbondale has been selected as one of three state sites to host a volleyball exhibition between the United States national team and the Japanese Olympic gold medal winning team.

The exhibition, sponsored nationally by the United States Volleyball Association (USVBA), will be held Sunday, October 15 at the SIUC Arena, a 10,000 sports facility. The matchup will pit an American team dominated largely by

former West Coast collegians against a Japanese squad that defeated the U.S.S.R. in the 1976 Olympics at Montreal to cop a gold medal.

The Carbondale appearance is one of 30 stops the two national women's teams will make across the United States (including Alaska and Hawaii) this coming October. Ms Debbie Hunter, the SIUC women's volleyball coach, was elated over SIUC being chosen as a host site.

"It's especially fitting that

the USVBA opted to hold one of the exhibitions in Carbondale. Illinois is one of the top women's collegiate volleyball states in the nation," said Hunter.

"Our volleyball program at SIUC is growing by leaps and bounds — and the exhibition should generate even more local interest," Hunter continued. "Certainly area sports fans will have a golden opportunity to see women's volleyball play at its finest and witness firsthand why the sport has such great potential for

spectator appeal," the Saluki mentor added.

Other Illinois stops the U.S. and Japanese teams will make are: Wheaton College, Wheaton, Ill., October 13; or the Western University, Evanston, Ill., October 14. Exhibitions will also be held in St. Louis, Mo. and Muncie, Ind.

Final plans are still in the making for the Carbondale exhibition. Ticket prices and purchase dates will be announced at later dates.

### South harriers run all over Edwardsville here

GRANITE CITY — Granite City South ran all over Edwardsville here Monday afternoon, defeating the Tigers 24-25 in a high school cross country meet.

Dave Houston was South's top finisher. He won the race in a time of 15:31. Ed Lamb of Edwardsville placed second in 15:44. Dave Taylor of South finished third in a time of 16:09.

Rich Phiel of Edwardsville placed fourth in a time of 16:16, while Scott Ahlers of South placed fifth in a time of 16:24. Ken LeBlanc of Edwardsville was sixth in 16:27, South's Curt Collins placed seventh in 16:31, followed by teammate Mike Drew Geisler of South was eighth in 17:08, Warrior Bob Dubnick placed ninth in 17:33 followed by teammate Mike Gardner in 10th place with a time of 17:42 over the 2.85 mile course at Wilson Park.

### Granite Cityans power BAC kickers to three wins

Sunday against Milwaukee Area College, Austin was extremely hot as he scored three goals and had three assists in the Dutchmen's 10-1 rout of MAC.

Yesterday afternoon at home against Scott Air Force Base, Austin scored one goal and has two assists as BAC won 6-1.

### Rascals' Tag Days this weekend

GRANITE CITY — The annual Tag Day for the Granite City Boy's Football Club will be held tomorrow (Friday) Sept. 16 and Saturday, Sept. 17.

The times will be from 4 to 7 p.m. Friday and from 9 a.m. until noon Saturday.

Players and cheerleaders will be out in uniform throughout the city soliciting funds to go toward purchase of equipment, trophies and other items necessary for the upkeep of the Little Rascals program.

In addition, several coaches will be stopping cars at the intersection of Pehling and Nameoki roads Saturday.

## Salukists to hold women's clinic

CARBONDALE — Charlotte West, SIU women's athletic director, and Cindy Scott, Saluki women's basketball coach, have completed the final scheduling of speakers for the Women Coach of the Year Clinic to be held September 29-October 1 at Stouffer's Riverfront Towers, St. Louis, Mo.

Scott — along with Dr. West, a co-manager of the clinic sponsored by Kellogg's of Battle Creek — commented recently on the list of nationally recognized sport speakers that will gather for the occasion.

"We are excited about having secured the services of such coaching figures as: Lucille Kyvallos, the women's basketball coach at Queens College, and Al Scates, the men's volleyball coach at UCLA. These speakers, like the others, have a wealth of success to back up the statements that they'll share with our clinic participants," Scott, the second

year SIU cage head said.

Other scheduled clinic speakers include: Jack Hartman, men's basketball coach at Kansas State University; Ruth Nelson, women's volleyball coach at the University of Houston; Margie Wright, professional softball pitcher, St. Louis; Laurie Ramsey, professional softball coach, St. Louis; Hummers.

Scott said that clinic comers would benefit from the diversified range of program speakers. "Since most of today's coaches are responsible for coaching more than one sport, this clinic offers participants a chance to enhance their professional knowledge in three different areas," Scott explained.

The cost of the clinic is \$15 per person which includes expenses for various hospitality courtesies being provided by the Fellowship of Christian Athletes and Kellogg's.

## Baker wins for Illinois State

If last week's perfect score by Illinois State University's cross country team over Bradley is an indication of things to come, it should be a rather enjoyable season for the Runnin' Redbirds.

ISU coach John Coughlan rested his top six runners in the 15-50 victory over Bradley, but the Redbirds' youth and depth responded well. ISU took the top nine places in the Bradley race.

Freshman Mike Baker, Granite City (North), was the

individual winner with a time of 26 minutes, 43 seconds. Another freshman, Jim Galen of Dora (Thorridge), was second while senior Kevin Zeigler of Rockford (West) placed third.

Co-captain Dave Irion of Normal, Mike Matteson of Niles (Normal East), Chris Kuntz of Villa Park (Westbrook), Gary Richmond of Wood Dale (Fenton), Bill Field of Park Ridge (Mt. Carmel) and Herman Sahneyah of Tulsa City, Ariz., did not run for ISU.

## Kokotovich wins title

RENAULT, Ill. — Elsie Kokotovich of Granite City won the Women's Singles championship here Sunday on the Pre-Fall Open at the Renault Tennis Club.

Kokotovich topped Lorraine Yu of Chester, Ill. 7-6, 6-0 to claim the championship match.

Joe Benyo of Waterloo won the Men's singles cham-

ionship.

Kokotovich and Monsignor John Fournie, the 67-year-old pastor at Renault and the director of the tournament were married in the Mixed Doubles Division by Glenn and Evelyn Kelhof 6-4, 4-6, 7-6 in the semifinals. Benyo and Randy Schutt of Waterloo won the Mixed Doubles title.

## Firefighters' softball tourney starts Friday

The Granite City Firefighters Benefit Softball Tournament will be held this weekend, at the Madison Third Street Diamond. It will begin Friday at 6 p.m. and continue through Sunday night.

The tournament will be a 46-team affair, with all proceeds going to the Granite City Firemen Relief and Welfare Fund, according to tournament director Jerry Wallace.

Referees and several entertainment activities — not necessarily pertaining to softball — will highlight the weekend's fun.

## Beta Eta initiates two new candidates

Members of Beta Eta of Delta Kappa Gamma, an educational, honorary and professional society, celebrated its 20th birthday at the Sheraton Westport Inn, in St. Louis, during the weekend.

Laura Uffers and Irene Cook were in charge of the memorial ceremony and charter members from this area honored included Vivian Dine, Georgia Engleke, Nelle Hart, Cleo Ulin and Barbara Williams.

An impressive initiation ceremony was conducted by Virginia Oram, the immediate past president, for Carol Gendron of Granite City, and Dorothy Du Pree of Collinsville. They were escorted into the room by Sandra DeMoulin and Anne Thompson with background music provided by Valerie Stevens.

A luncheon followed with June Tupper, Esther Vasileff and Vivian Thompson serving as hostesses.

Twilight Class sets holiday activities

A discussion on plans for various activities during the forthcoming season was the topic of the Twilight Class at Mount Zion General Baptist Church.

To open the meeting members sang a hymn and Mrs. Lillie Graf repeated a prayer. President Harriet Phelps conducted the business meeting and introduced the guest speaker, Mrs. Marge Hall from the Senior Citizens organization.

Hostesses Ollie Harmon and Ann Schubert served a dessert course to those named and to Leola Graves, Opal Penrod, Bryle Roady, Jennie Pirtle, Bessie Phillips, Flo Monroe, Mildred Rippey and a guest, Helen Poole.

Entertainment was provided by Mrs. Rogers Melford, a member of the music committee, with songs written during the last 20 years.

The newly elected president, Helen Thatcher of Edwardsville, was in charge of the business meeting.

Members attending from the Quad-Cities were Nancy Barrett, Marguerite Connor, Irene Cook, Anna Marie Harn, Mary Harper, Martha Hayes, Catherine Mildebrand, Ruth McCarty, Helen Purkale, Nancy Rainer, and those named.

Fair Oaks Club elect officers

The Fair Oaks Junior Garden Club elected officers at its annual end of the summer picnic held at Wilson Park, last week.

The retiring president, Joel Donley, opened the meeting and roll call followed with each member naming a specific tree. They also made plans to hold a bake sale on Sept. 23.

New officers include Monica McAmish, president; Nancy Griffith, vice-president; Jill Donley, secretary; Michelle McAmish, treasurer.

After the meeting the group enjoyed a picnic lunch and nature hike and participated in a study of trees of the Bible discussing the Mulberry tree.

Others attending were Johnny Creshaw, Mary and Jennifer Griffith, Julie Donley, Darren Frech, Missy McAmish, Charles Schae, Mrs. Norma Creshaw, Mrs. Judy Donley, and guest Jeff Donley.

The next meeting will be held in the home of Monica McAmish.

# Phelps among several South grads playing college soccer

DEKALB, Ill. — Another Granite City, South soccer warrior has made it on college soccer.

Gary Phelps, the son of Mr. and Mrs. Gary Phelps Sr., 3307 Franklin Ave., received several scholarship offers upon his graduation from GCHS South last year and chose Northern Illinois University where he has entered pre-law studies.

Phelps played varsity soccer at South under the direction of coach Gene Baker for four years while a Warrior. He played center fullback.

Among the honors Phelps earned while at South were: all-state tournament team last year for the state champions, all-area teams in 1975 and 1977 (Honorable Mention in 1976), all-American High School Athlete and election to the Society of Distinguished High School Athletes last year.

Saturday as Northern Illinois opened its 1978 soccer season, Phelps was a starting right-wing fullback, the only freshman to earn a starting berth. NIU won 1-0 over MacMurray of Jacksonville, Ill.

Northern Illinois Coach Dave Bucher is pleased with what he calls his "Granite City Connection." Besides Phelps, three other former South soccer players are on his squad.

At halfback position, is senior Dave Sheridan, the son of Mr. and Mrs. Philip Sheridan, at left-wing fullback is sophomore Rich Becherer, the son of Mr. and Mrs. Robert Becherer. Being used primarily off the bench as a swingman for centerback is freshman John Krekovich, the son of Mr. and Mrs. John Krekovich who also

played on last season's state championship team for South. The Granite City Connection can be seen in action in this area Oct. 1 and Oct. 2 at the Illinois State (College) Tournament at Southern Illinois University-Edwardsville at Mr. and Mrs. Philip Sheridan, Cougar Field with Northern, SIU-E, Illinois State and Eastern Illinois University participating.

South's soccer Warriors are scheduled to play St. Louis University High at 11 a.m. Oct. 1 in a preliminary game at Cougar Field.

## ISU selects captains

Illinois State University's soccer team has elected seniors Claude "Juno" Brown and Larry Gackowski to be co-captains for the team's first varsity season.

Brown is a wingman from Highland Park and Gackowski a halfback from Palatine. Coach Bodo Fritzen also announced the addition of another new varsity team, Eureka College, to the schedule. Eureka will play the ISU home

opener at 2 p.m. Saturday (Sept. 9) on the AstroTurf of Hancock Stadium.

The ISU roster includes Granite South's Bill Skirball, a senior halfback.

## Making a few decisions on your tennis equipment

In this column I would like to offer my opinions on what some players feel are the real issues of tennis.

The first concerns the implement in this game. Should it be made of wood or metal?

The considerations in this great decision are as follows:

1. Wooden rackets have a much greater chance of breaking when angrily banged against the net post, fence or ground.
2. Wooden rackets help make it easier for the

beginning player to get a feel of the ground strokes. He's more conscious of the racket head as he swings it through the air. (Inexperienced players can increase this consciousness by placing two or three strips of adhesive tape on the head of their present racket.

3. Compared to wooden rackets, metal rackets, with their open-throat design, increase the speed of the average serve by 24.7 percent. The ball goes faster, but not always in.

The second perplexing question facing all tennis players is whether to have their racket strung with gut or nylon.

It would appear a simple decision — since gut string jobs cost two and sometimes three times as much as nylon. However, the more experienced players insist upon gut because it provides more response, resiliency and "feel." The ball seems to linger for an extra second,

giving the player a feeling of control.

For beginning players, who at first struggle just to make contact with the ball, the choice is obvious: nylon. They would have a difficult time distinguishing between the performance of the two strings. Besides, in addition to being cheaper, nylon has a much longer life span. It's not sensitive to climate and court conditions, like gut is.

In addition to deciding between rackets and what kind of string to put in them, the player also must decide on stringing tension, grip size, racket weight and balance.

The simple suggestion is to solicit the advice of a pro, who will then send you to a professional tennis shop, to make your selections and then string your new racket with care.

After all this time, research and money spent, you're bound to play better than ever. You hope.

WHEN SOMETHING ELECTRICAL WONT WORK, LOOK FIRST FOR A SIMPLE ANSWER. CHECK PLUGS, OUTLETS, FUSES, SWITCHES AND CORDS. BEFORE YOU TAKE IT APART, GIVE IT A SHARP RAP OR A QUICK KICK.

## Active career study program at GC South

The Guidance Department has lined up a series of career programs for juniors and seniors at Granite City High School South which are being coordinated by Sonya Adkinson, Anita McKinney and Dorothy Reynolds.

The following career topics will be reviewed: health service during September and October.

Education, social service and social science in November.

December will cover scientific and technical careers, including ecology, conservation and various engineering and science fields.

Art, music, drama, jour-

nalism will be a few of the careers reviewed in February as the emphasis will be on the communication and applied arts.

Industrial and transportation fields are scheduled for April study, followed in May with a study of pre-employment skills.

A film "Is a Career in Health Service for you?" was shown today.

On Thursday, Sept. 21, a mini career fair will feature nursing, presented by Ruth Ann Tharp, RN, of Belleville; pharmacy by Neil Winters, veterinary medicine by Dr. Leland Holt; medical surgical technician by Bruce Funderbuck of St. Joseph Hospital in Alton; dental

medicine and dental hygiene by representatives of Dr. Richard Hodshire's office.

Representatives from St. Elizabeth Hospital will be on hand to discuss physical therapy, laboratory, respiratory and central supply fields.

On Thursday, Sept. 28, a mini college fair featuring dental assistance by Lewis Clark Community College; allied health by Belleville Area College; nursing education, Southern Illinois University at Edwardsville and doctor's assistants by Missouri School for Doctors Assistants.

## Mexican Commission plans weekend outdoor festival

The Mexican Honorary Commission of Granite City will hold its annual September Jamica (outdoor festival) Saturday and Sunday in the Mexican Honorary Commission Hall, 1801 Spruce St., and outside the building on adjacent St. Louis Avenue and Spruce Street.

John Valencia, MHC president, said the public is invited to attend the festival, which will feature "entertainment, dancing, magic, shows, pony and fire engine rides, food and arts and crafts."

The festivities will begin at 2 p.m. on both days and conclude at 11 p.m.

All types of handcrafted items will be displayed in booths, including original paintings, macrame, coin jewelry, key chains and similar things, Valencia said.

Food booths will feature empanadas (Mexican meat-filled pies), fish, French fries, snowcones, popcorn, soda, beer, tamales, tostados, tacos, pork steaks, sugarcane and muenchos (Mexican pastries).

Local ethnic groups will entertain. Dancing to the music

of "Mariano Y Su Combo," a Mexican band, will take place from 7 p.m. to 11 p.m.

Children will be entertained with a magic show at 4 p.m. Saturday and Sunday, and game booths appealing to the youngsters are planned, Valencia said.

Pony rides and trips on a fire engine, also favorite pastimes of children, will be available on both days.

Miss Lisa Garcia is serving as general chairman of the 1978 festival.

## Mrs. Lawson dies at 62

Mrs. Helen Lawson, 62, of Belleville, formerly of Granite City, died at 12:45 p.m. Monday at St. Elizabeth Hospital, Belleville.

Born in Marion, Ill., Mrs. Lawson was a longtime resident of this area. She moved to Belleville six years ago.

She was a member of the Signal Hill Methodist Church, Belleville, and also belonged to the Belleville Wood Carvers Club.

Her husband, George Robert Lawson, died in February 1970.

Survivors include one son, Robert E. Lawson of Villa Grove, Ill.; her mother, Mrs. Kathleen Rainbolt of Cahokia; four brothers, Roy C. Rainbolt, Cahokia, Herb Rainbolt, Great Springs, Ill., Gene Rainbolt, Oceanide, Calif., and Henry Rainbolt, Ft. Pinedale, Ariz., Ill.; and two grandchildren.

Funeral services were held at 1 p.m. today, Sept. 14, at the Signal Hill Methodist Church. Burial was in Sunset Hill Cemetery, Edwardsville Township.

## Mrs. Jaimet dies at 63

Mrs. Lillian M. Jaimet, 63, of 2707 Center St., a lifelong resident of Granite City, died at 10:45 a.m. Monday at St. Elizabeth Hospital.

She had been ill seven years and was hospitalized 27 days.

Mrs. Jaimet was a member of Calvary Baptist Church.

Survivors include her husband, Benjamin Jaimet; one son, Michael R. Jaimet and a daughter, Mrs. Karen Teller, both of Granite City; one brother, Elmer Hurry, Granite City; two sisters, Mrs. Leo (Iona) Homer, Collinsville, and Mrs. Verna Hampton, Granite City; and four grandchildren.

Another brother, Emmett Hurry, preceded her in death.

Funeral arrangements are given in the obituary column.

## Vienna Choir Boys in special concert

Direct from Austria for one performance only on Wednesday, Oct. 11, the Vienna Choir Boys will bring their voices to St. Louis for a special 8:30 p.m. concert performance in Powell Symphony Hall, 718 North Grand Boulevard.

The Choir will sing German folk songs for which they are universally famous as well as a program of sacred and secular music.

The 24-member Vienna Choir Boys are at once one of the world's oldest and youngest musical institutions. The youthful choir, whose members are between the ages of 8-14, have been heard on all six continents where critics invariably cite their unusual "musical maturity."

Tickets for the Vienna Choir Boys concert are on sale at all ticket outlets. For ticket information Quad-Cityans may call Powell Symphony Hall at 534-1700.

MR. AND MRS. ROLLAND T. HILL of Granite City, who observed their 60th wedding anniversary at a dinner party given by their children and grandchildren.

## Mr., Mrs. Rolland Hill mark 60th anniversary

Mr. and Mrs. Rolland T. Hill of Granite City celebrated their 60th wedding anniversary during the weekend at a dinner party given by their children and grandchildren. The couple have lived in the area all their married life. Mrs. Hill (Cecelia Lux) is a lifetime area resident and Mr. Hill is a native of Mattoon, Ill.

They were married Aug. 28, 1918, and they have four children, all of whom are area residents. The children are Dr. Maurice R. Hill, Mrs. Robert (Eileen) Watt, Marvin Joseph Hill, and Dr. Robert S. Hill. There are 20 grandchildren and 13 great-grandchildren.

Mr. Hill, a retired machinist, worked for the C & E Railroad, Nickel Plate Railroad and the

Illinois Terminal Railroad during his 52 year working career. Mrs. Hill was employed for a number of years by Famous-Barr Co. in downtown St. Louis.

The early evening dinner at the Three Mile House in Edwardsville, Ill., was attended by the children, Dr. and Mrs. M. R. Hill, Mr. and Mrs. Robert Watt and Mr. and Mrs. Marvin Joseph Hill. Grandchildren present were, Maureen Hill, Chicago, Ill., Judy Hill, Edwardsville, Dr. and Mrs. M. R. Hill, St. Louis, Mo., Mr. and Mrs. Thomas Hill, Highland, Ill., Mr. and Mrs. E. J. Schwager, Edwardsville, Ill., and Dr. and Mrs. James Hill, Calumet City, Ill.

## Retired pastors day Sunday at Trinity

Rev. Thomas E. Harper who is 96 years of age will preach Sunday, Sept. 17, at 10:40 a.m. at Trinity United Methodist Church, E. 25th and Henry streets, in conjunction with "retired ministers day," according to Rev. Paul Bryant.

REV. THOS. HARPER

Rev. Harper was reared near Norris City with five brothers and three sisters in a log house. They took time to read the Bible and have family prayer every morning and night. None of the children ever used tobacco or drank alcoholic beverages and all were converted and joined the church while young, Rev. Bryant added.

Rev. Harper was called to preach in 1911, attended the academy at McKendree College four years and studied four more years at the college for his bachelor's degree.

He was pastor of Trinity Church 1944-45, president of Eldorado Holiness Camp Meeting 1927-46 and has taught 40 consecutive years in our Beulah Youth Institute at the Eldorado Camp ground held one week each July.

After pastoring until the age

of 65, Rev. Harper was called to be an evangelist. In these 31 years since then, he has preached over 6,000 times, spent a month in the Holy Land and is now looking evangelistic meetings for 1981 when he will be 100 years of age.

Rev. Harper will present a "reading" and speak on "when old age is golden." A pot luck dinner will follow the morning service.

## Shower honors Miss Connelly

Miss Jeanie Connelly, fiancée of Kevin Ricks, was guest of honor at a bridal shower hosted by Mrs. Linda Bridges and Mrs. Faye Hester, during the weekend.

The fellowship hall of Calvary Baptist Church, 3000

Washington Ave., was the scene of the shower and was decorated for the occasion. The refreshment table was centered with an arrangement of silk multi-colored flowers and baby's breath in a freestyle basket. Yellow candles in crystal holders flanked the arrangement. Crystal and silver serving pieces complemented the decorations.

## Missions topic of Baptist women's group

The Baptist Women of Suburban Baptist discussed the promotion for state missions which will be observed during the Sunday evening, Sept. 17, worship service, during the monthly meeting held in the home of Mrs. Jo Ann Terrell.

President Mrs. Darlene Smith gave the opening prayer followed by several members presenting a mission program entitled "Two by Two."

They explained the work being done in Kenya, Africa, noting the number of churches there and added the mission aim is to build a church for every three miles of area.

Prayers for missionaries and a season of prayer observed with the reading of Bible verses. Closing meditations were given by the minister's wife, Marilyn Garrett.

Attending the meeting and the social hour following were Mesdames Harding Lewis, Sue Tiedford, Inogene Smith, Jean Fisher, Gaynell Spiller, Sharon Purkey, Florence Petrovich, Hilda McMaisters, Dee Smith, Mollie Stinson, Mary Charlton, Ruby McFall, Ursula Cook and Edna Jackson.

Miss Connelly is the daughter of Mr. and Mrs. Eugene Connelly of Estill, S.C.

The parents of the prospective groom are Mr. and Mrs. Larry Ricks, 3409 Franklin Ave.

**FRESHMEN TO BE TESTED**  
Differential Aptitude Test—(DAT) will be given to all freshmen at Granite City High School South beginning Monday. The DAT measures aptitudes in the following areas: verbal, numerical, abstract reasoning, mechanical reasoning, spelling, language, arts, clerical speed and accuracy. The DAT includes a career planning program which takes into account the students' educational goals, their expressed interests in a great variety of school subjects and activities, and interests in fields of work and representative occupations. Each student will receive a computerized report, which will be interpreted by a counselor. There is no charge for the testing program, according to Sonya Adkerson, chairman of the Guidance Department Testing Committee.

**Three youths in college ceremony**  
Daniel Todd Manogian, 2323 Fehling Road, an achievement scholarship recipient, Claude Garig Onestian, 2115 Benton Ave., and John Alan Royce, 2883 Madison Ave., were among 213 new students who participated in the traditional "Columbus Ceremony" held on the campus of Westminster College, Fulton, Mo.

As part of the ceremony, new students from twenty states, Puerto Rico, Malaysia, and Sweden walked through the historic columns, symbolizing the beginning of their college careers. The students will walk through the columns again on their graduation day. As participants in the ceremony, the students became members of the last all-male class to enter the 127-year-old liberal arts college. The Westminster Board of Trustees voted August 12, 1978, to adopt coeducation at the college and to admit women for the first time in the fall of 1979.

## Minority employment at Bi-State agency 49.4%

The Bi-State Development Agency is currently surpassing all previous standards in the employment of minorities and women. It was reported this week.

Bi-State Executive Director Barry M. Locke announced that the Agency's July employment report reveals that 49.4 percent of Bi-State's employees are minorities, while 16.3 percent are women.

The recent figures are especially significant. Locke stated, since only 17.4 percent of the population of Bi-State's seven-county area are composed of minorities, and because women have only recently begun expanding their roles in the transit industry, an area in which Bi-State's workforce is concentrated.

Bi-State currently employs 2,228 people in the Missouri-Illinois region, of which 1,100 are minorities. Minority bus operators number 809, and compose 56.6 percent of the driving workforce, while 105 members of Bi-State's management staff, or 37 percent are minorities.

The 407 female employees at Bi-State comprise 18.3 percent of the agency workforce, and reflect the increased diversity in the roles of women. Of the 427 bus operators at Bi-State, 252 or 59.2 percent are women, which is one of the highest percentages of any transit operation in the nation.

Women are also increasingly visible in repair, custodial and cleaning, till clerk, traffic inspector, and fuel and lubrication positions at the agency. Women hold 103 Bi-

State management positions, and constitute 36.3 percent of that staff.

"Bi-State has a continuing commitment not only to provide the area with quality services, but also to maximize the employment potential of the area," Locke stressed. "As Bi-State increased its involvement in new projects, it will even better utilize the resources offered by minorities and women."

## Adopt a pet Saturday at GC shopping center

The Quad-City Association for Protection of Animals will hold its monthly pet adoption clinic Saturday from 9:30 a.m. to 1 p.m., at the temporary adoption shelter, located between Gasen Drugs and The Fabric Store in Nameoki Village Shopping Center.

Among the pets available for adoption Saturday, are: a purchased, 1-year-old male Dachshund, small in size; a 4-month-old puppy of Beagle mixture; and six kittens, male

and female in grey, white and black.

Sally J. Gettleman, adoption supervisor, said donations still are being sought to construct a permanent shelter for unwanted and abused pets. Contributions may be sent to: APA, Post Office Box 1311, Granite City, Ill. 62040.

Mrs. Gettleman noted the adoption clinic hours have been shortened during the hot summer months.

**FLAG FROM CAPITOL.** St. Elizabeth Hospital President Sister Mary Thomas secures an end of an American flag in preparation of its hoist to the top of the flag pole near the Madison Avenue entrance to the hospital. The flag, a gift from the Madison Emergency Services and Relay Organization (ESRO), was flown

over the Capitol of the United States on Aug. 3 at the request of Congressman Melvin Price. Assisting Sister Mary Thomas are ESRO President Doris DeCelle, St. Elizabeth Housekeeping Supervisor Bob Shipley and ESRO Secretary Casey Krakowicki. ESRO is a citizen's band radio group affiliated with Madison Civil Defense.

## \$422,659 county allotment for occupational training

Secretary of Labor Ray Marshall has allocated \$132 million to 165 state and local governments to provide advanced occupational training for unemployed, underemployed and low-income workers.

This is the second round of grants under the Skill Training Improvement Program (STIP) launched by President Carter in May 1977 as part of his economic stimulus program.

In the Midwest, Illinois will receive \$8.1 million, Indiana \$1.3 million, Michigan \$15.9

million, Minnesota \$6.9 million, Ohio \$12.3 million, and Wisconsin \$3.9 million.

Of the total allocation to Illinois, Madison County is to receive \$422,659. tot. Clair County will receive \$523,827 and Peoria will be allocated \$15,000.

Chicago will receive \$3,457,567, and Rockford \$572,896. An additional \$785,642 will go to other areas of the state.

In the original funding nearly \$144 million was awarded to 142 states and localities. More than 24,300 persons participated in the first round. Seventy-four prime sponsors in the first round are receiving additional funds today.

STIP is authorized by the Comprehensive Employment and Training Act (CETA), Title III, and has these basic purposes:

To provide training and jobs for long-term unemployed persons and to upgrade the skills of unskilled workers.

To meet the needs of private business and industry for skilled workers.

To improve the quality of training offered under CETA.

To increase the participation of the private sector in CETA programming.

STIP focuses on location job openings in the private sector and training unskilled and unemployed persons to fill these jobs. Local businesses and

industries are involved by prime sponsors in designing projects, providing training, and following-up on the program's effectiveness.

It is expected that these employers will hire STIP participants as regular employees either at the outset or completion of their training.

With employer approval, STIP training courses also may be conducted by vocational schools, skill centers, and similar agencies.

Training can last from six to 18 months. It is provided through classroom instruction or a combination of classroom and on-the-job training.

State and local governments acting as prime sponsors under CETA were eligible to apply for STIP monies, and about 220 of them did so under the second round of funding.

Selection of the 165 grantees was made by the Department of Labor's 10 regional employment and training administrators through a competitive, bid-based on the quality of the locally proposed programs.

### Fellowship meeting

The September meeting of the Greater Alton Area Chapter of Full Gospel Businessmen's Fellowship International will be held Saturday, Sept. 16 at 7 p.m. Fellowship and refreshments will start at 5:45 p.m. at the steelworkers Abel Hall, 2821 E. Broadway, Alton.

The speaker for the meeting will be Rev. Max Martin from Granite City.

He pastored the Trinity United Methodist in Mount Carmel from 1962 to 1972. He has a B.A. from Southern Illinois University and a DD from Wiley College. He and his wife both received the Baptism of the Holy Spirit in December 1975.

### U. of I. alumni plan picnic

University of Illinois alumni in Southern Illinois will hold their second annual picnic Oct. 8 at the University of Illinois Dixon Springs Agricultural Center.

The Egyptian Illini Club picnic dinner will start at 4 p.m. However, those wishing to

sightsee at Bell Smith Springs should be there at 1:30 when club President Paul Houghton will be on hand to point out some of the features of the area.

The Dixon Springs Agricultural Center is located approximately 27 miles south of Harrisburg on Illinois 145. The Bell Smith Springs Recreation Area is on U.S. Forest Road 447 west of Illinois 145 and about four miles south of Delwood.

Reservations should be mailed by Oct. 2 to Victor L. Davis, First National Bank, Golconda, Ill. 62938. The dinners are \$6 per person and checks should be made payable to the Egyptian Illini Club.

### Four injured in Madison mishap

A three-car accident resulted in injuries to four persons last week, a traffic signal uprooted and the side of Chris-Kaye Plastics building damaged.

Mrs. Audrey Phillips, 40, of Cairo, Ill. driver of the car that knocked down the traffic signal and hit the building, was treated at St. Elizabeth Hospital for pain to the right shoulder and arm and bruises to her left knee. She received a traffic citation charging failure to yield at intersection and one charging destruction of city property.

Eddie Phillips, 37, of Cairo, a passenger in the car, was treated for pain to his ribs, a bruised forehead, and was released.

A passenger in the Phillips auto, Miss Pam Tubbs, 23, also of Cairo, was treated and released at St. Elizabeth for bruises to the right hip and arm.

Gary Robinson, 25, of 4602 Kirkpatrick Homes, driver of one of the autos was treated and released for a bump on his head after he hit the windshield.

David C. Lang, 2457 Missouri Ave., was the driver of the third auto.

### 3rd governor debate Tuesday

## Dallas-Pearce wedding at St. Mary's Church

St. Mary's Roman Catholic Church in Madison was the scene of the wedding on July 29, of Miss Roberta Pearce, a daughter of Mr. and Mrs. Robert Pearce, 1710 Edwardsville Road, and Joseph M. Dallas, a son of Mr. and Mrs. William Dallas, 2001 E. 20th St. Father Ralph Scherrer officiated at the double ring ceremony at 2 p.m. Organist Mrs. Valerie Stevens accompanied the soloists, Mrs. Eleanor Tutka. Nuptial selections included "Our Father," "On This Day Oh Beautiful Mother," "The First Time Ever I Saw Your Face," "The Wedding Song," "Evergreen" and "Hallelujah."

Candlelighters and guest book attendants were Patti Scaturro and Kim Hart, cousins of the bride. For her wedding, the bride chose a full length white chiffon sleeveless gown designed with an Empire bodice and cameo neckline, accented with Alencon lace.

Lace motifs were repeated on the A-line skirt and chapel train. A lace and pearl headpiece secured her fingertip veil of bridal illusion and she carried a bouquet of white roses, stephanotis and baby's breath.

Matron of honor Mrs. Donna Scaturro, a cousin of the bride, and bridesmaids Mrs. Debbie Goeke, Mrs. Diane Warchol, Miss Christina Sander and Miss Terri Brunick, the bride's cousin were gownned alike in mint green polyester dresses. Their gowns were fashioned

with Empire bodices, scoop necklines and A-line pleated skirts complemented with matching capelets. Each attendant held a nosegay of multi-color mums, white daisies, red roses and baby's breath.

Tina Scaturro and Kathy Scaturro, cousins of the bride, served as flower girl and miniature bride, respectively, and Christopher Warchol was the ringbearer.

The flower girl wore a frock identical to the bridesmaids and the miniature bride was attired in a dress to match the bridal gown, and she held a small bouquet of daisies, roses and baby's breath and the former carried a basket of multi-color blossoms.

Attending the groom was Wayne P. Lunsford as best man. Groomsman and ushers included Bill Dallas, a brother of the groom, Bill Dallas, the bride's brother, Gary Sanders, Ed Johnisse and cousins of the bride, Ray Miller and Mark Brancie.

A reception was held at the Polish Hall and the rehearsal dinner was at Scaturro's Restaurant.

After a wedding trip to New Orleans, La., the newlyweds are now residing in Granite City. A graduate of St. Teresa Academy and Southern Illinois University at Edwardsville, the bride is now teaching at Blair School in Madison.

The groom is an employee of Granite City Steel. He is a graduate of Granite City High School and SIUE.

MR. AND MRS. GARY DeBRUCE, whose wedding took place at St. Mary's Catholic Church in Madison. The bride is the former Cathy Voloski, a daughter of Mr. and Mrs. Jerry Voloski, 2628 Angela Drive.

## Miss Cathy Voloski and Gary DeBruce are wed

Miss Cathy Voloski, a daughter of Mr. and Mrs. Jerry Voloski, 2628 Angela Drive, and Gary DeBruce, a son of Mr. and Mrs. Joseph DeBruce, 2624 Angela Drive, were united in marriage on Aug. 12, at St. Mary's Roman Catholic Church in Madison.

Officiating at the 2 o'clock double ring ceremony was Father Ralph Scherrer, before an altar decorated with white floral bouquets.

Immediately following the ceremony a reception was held at the Polish Hall, where the rehearsal dinner was hosted on the evening before by the groom's parents.

The former Miss Voloski selected a formal length white organza gown fashioned with long sleeves and an Empire bodice, high neckline, trimmed with Venice lace motifs.

Her A-line skirt and chapel train were encircled with a gathered flounce defined with matching lace.

She wore a lace Juliet cap encrusted with pearls to hold in place a fingertip veil, and she held a cascade of white roses, carnations and baby's breath.

Honor attendant was Mrs. Judy DeBruce, a sister-in-law of the groom, and bridesmaids were Mrs. Debbie Kromaj, Misses Karen, Sharon and Carla Voloski, cousins of the bride, Miss Janna Bloodworth, Miss Michelle Mannon, the groom's cousin, Mrs. Kim Vesce, and junior bridesmaid, Miss Tammy Besserman, a cousin of the bride.

They selected identical chignon A-line gowns fashioned in orchid, blue, apricot, mint and maize hues. The Empire bodices featured scoop necklines, ruffles over the shoulders to create short sleeves and waist insets.

Each attendant wore a picture hat enhanced with chignon and rose trim and held a bouquet of carnations, daisies and baby's breath, in colors to match their gowns.

Stephanie Chudy, a cousin of the bride, was the ringbearer.

the bride, and Matt Voloski, the bride's brother, served as flower girl and ringbearer. She wore a white chiffon frock and floral headpiece.

The groom chose his brother, Ronnie DeBruce, as best man. Groomsman and ushers included the bride, Tony Besserman, and Rick Kierski, cousins of the bride, Bob Zaring, Tony Vesce and cousins of the groom, Mark DeBruce, Steve Mannon, and Derick DeBruce, completed the corps of groomsman and ushers.

The couple is residing in Venice following a wedding trip to Las Vegas. Both young people are graduates of North High School. The bride is employed in Venice and her husband works in Belleville.

For her daughter's wedding, Mrs. Voloski appeared in a pale blue polyester Empire gown worn with a chignon capelet. Her corsage was composed of pink roses and carnations.

The groom's mother chose a green A-line gown designed with pleated chignon butterfly sleeves. Her corsage was an arrangement of coral roses and carnations.

ENGAGED. Miss Luena Keeton and her fiancé, Paul Chester. Their engagement and plans for an Oct. 20 wedding is announced by her parents, Mr. and Mrs. James A. Keeton, 2706 W. 20th St.

## Chester-Keeton betrothal

Mr. and Mrs. James A. Keeton, 2706 W. 20th St., are announcing the engagement of their daughter, Miss Luena Keeton to Paul Chester, a son of Mr. and Mrs. Wendell Chester, 2349 Miracle Ave.

Miss Keeton and her fiancé are completing plans to be married on Oct. 20 at Bethel Chapel Pentecostal Church with the Rev. Clifton Galher officiating.

A reception will be held at the YMCA, 2000 Edison Ave., immediately following the service. The prospective groom is employed at American Steel Foundries.

## Circle 835 hears convention report

The September meeting of the Daughters of Isabella, Circle 835, was held at Knights of Columbus Hall, last week.

Mrs. Josephine Knezevich, chancellor, opened with prayer and Mrs. Florence Portell, regent, conducted the business meeting.

Mrs. Portell reported on the International convention held in Cincinnati, Ohio, Aug. 14 to 20. There were over five thousand delegates from the United States and Canada. The opening mass was read by Archbishop Bernardini of Cincinnati in St. Peter's Cathedral and the closing banquet was held at the Netherland-Hilton Hotel in downtown Cincinnati, she added.

Guests at the meeting were Mrs. Betty Hents of O'Reilly Circle 218, who is chairman of the Diocese of Springfield, Ill., and Mrs. Frances Huemmer, also of the O'Reilly Circle.

Birthday greetings were extended to Stephanie Ruiz, Bernice Crimmins, Eugenia Stanfill and Marnie Boyer.

Mary Horvat hosted the refreshment committee. She was assisted by Gussie Sternman, Mary Kastelle, Delores Harzall, Betty Haug, Grace Hendrick, Genevieve Hill, Clara Hoedebeck, Dorothy Hoedebeck, Juliana Hoedebeck, Emma Jakich, and Katherine Jenkins.

## Education topic of secretaries

The Tri-Cities Chapter of the National Secretaries Association (International) held their monthly meeting last week at Charlie's Restaurant.

Fourteen members were present, along with one guest, Miss Elaine Goetting who is employed by Halston Furina.

Mrs. Louise Saunders was the guest speaker at this meeting. She is the advisor and counselor at the General Studies Division at SIUE. Her talk on "Continuing Education" pointed out how extending your education can help you professionally, to develop skills and possibly earn a CPS (Certified Professional Secretary) degree. Continuing Education has also helped people to plan their future.

A meeting was called to order by President Joyce Savich, the treasurer's report was given and the correspondence was read. A brief report of the visit to KETC, Channel 9 was given by Helen Geiselmann. The secretaries spent an afternoon at the television station for one year membership pledges from the public.

It was announced that Jeannette Holder will be the FSA advisor for South High School and Linda Haddock will be the advisor for North High School. South will hold their first meeting on Tuesday, Sept. 19, at 7 p.m. at South High School. The program will be "Career Application for Secretaries." North's first

meeting is set for Tuesday, Sept. 26, at North High School. Their program was not announced.

A joint initiation for new members and installation of officers will take place on Sunday, Oct. 15, at Central Christian Church at 2 p.m. No meetings will be held in December and January.

The next meeting of the secretaries is scheduled for Thursday, Oct. 5, at 6:30 p.m. Meeting place will be announced at a later date.

DR. AND MRS. LeGRAND NAME DAUGHTER VALERIE Dr. and Mrs. James LeGrand of Champaign, formerly of Granite City, have named their first child, Valerie Nicole.

The infant was born Aug. 3 at Mercy Hospital in Champaign. She weighed seven pounds, eight ounces.

The mother will be remembered as the former Barbara Field. She is employed as staff assistant in the Office of Continuing Education at the University of Illinois Medical Center.

Dr. LeGrand, a physician, is with the Department of Internal Medicine at Christie Clinic in Champaign.

Mr. and Mrs. Norman Field and Mr. and Mrs. Elvis LeGrand are the grandparents. All reside in Granite City.

## Man shot in Eagle Park

J. C. Baker, 44, of 104 Garsche Homes, Madison, was listed in stable condition in the intensive care unit (ICU) of St. Elizabeth Hospital after suffering a gunshot wound upper right shoulder area at 8 p.m. Monday.

Baker allegedly was shot outside a tavern at 113 Allen St., Eagle Park Acres.

Madison County sheriff's deputies said Baker was in an argument with a woman companion inside the tavern and they were ordered outside by the bartender.

The shooting is under investigation.

## Arrest after disturbance

John M. Overturf, 24, of 2053 Alton Ave., Madison, was charged with battery on a complaint signed by Violet Sellers, 3303 Kirkpatrick Homes, after a disturbance at her home at 9:30 p.m. Monday.

Police said Mrs. Sellers, the sister of Overturf, alleged Overturf came to her home, became upset, threw an ashtray across the room and slapped her.

She also alleged Overturf threw a glass at another brother, hitting his left cheek. Her apartment was damaged during the disturbance, she reported.

Overturf suffered a cut to his left cheek during the disturbance or arrest and was taken by police to St. Elizabeth Hospital where he was treated and released to officers.

## Police break up children's group

A 15-year-old was arrested and five others were reprimanded and sent to school when officers broke up a group on the bleachers of the softball diamond in Wilson Park near State Street and Fehling Road 20 minutes after the start of school at Granite City High School South Monday.

An officer alleged that when he approached the group, the 15-year-old stuck something under his belt. The policeman checked and alleged finding a marijuana cigarette and a pipe in the youth's clothing. He was released on a notice to appear before juvenile authorities.

## Delay rail crossing repair on Rt. 203

Work on the replacement of three sets of railroad crossings on Edwardsville Road near 14th Street has been delayed temporarily, according to word given by the Illinois Terminal Railroad to the Granite City Engineering Department.

The project was to have resulted early this week in a two-day detour that would have taken traffic off Route 203 at Bend Road through Brooklyn and to Broadway in Venice.

Monroe Brewer, city engineer, said railroad officials informed him the work did not start Monday because Norfolk & Western railroad clerks, who are on strike, began picketing the Terminal last week, and after withdrawing pickets there began picketing the Alton & Southern railroad offices.

The work was to be done on the three sets of tracks owned by the Terminal and by A&S. Brewer said engineers at the

railroad also said that a sub-sterilized substance used to place on top of the crossing ties cannot be installed after Labor Day and that time would be required to look into the use of other materials.

## Four cars damaged, bicycles stolen

Damage to four automobiles in separate locations and thefts of three bicycles were reported to police last week.

Jim King, 2312 W. 23rd St., said the windshield wipers on his 1975 Dodge van were broken, and William Cain of Tuscola, Ill., staying at the Travelodge Motel, reported an attempt was made to get into the trunk of his 1975 Oldsmobile parked at the motel. Entry was not gained but the latch was broken.

The left front side window of a 1971 Dodge Dart owned by Judy Taylor, 2248 Benton Ave., was broken, and the windshield of a 1977 Ford belonging to Ed Edwards, 2009 Iowa St., was cracked. All cars were parked at the owners' homes with the exception of Cain's.

Reporting thefts of bicycles were Diane Means, 2415 Missouri Ave., Shirley Watson, 2820 Myrtle Ave., and Denny Mizell, 2023 Madison Ave., with the latter one found by police and returned to the owner.

## YOU CAN KILL WITH TOUCH OF FINGER

You may have paid as much as \$400 for your car stereo. Did you spend that much to listen to commercials? And as often as 20 times per hour? Day after day and stereo too? Telephones ring, dogs bark, sirens wail, babies cry and shots ring out. These are a few of the tactics commercials commence with, a method calculated to get you into listening. Pollution is everywhere even on the airwaves but this is one type of pollution you can do something about and immediately hear the results. Just imagine, you will never again have to listen to commercials, telling you what airline to fly, what to put in your nose for the sniffles or "heavens to Betsy" what to do if your hemorrhoids flare up. When is silence golden? Here is how the SLEEPER frees your mind from commercials. When a commercial begins simply touch a button on the dash of your car. Instantly the commercial is mercifully SILENCED. Radio automatically resumes playing after commercial is over. Call 877-4320 for further details on how to have a pollution free car radio today. Only \$29.95. Installation extra.
